Celebrating Art

Paying homage to the city's most talented artists.

Vida Creek Harbour is delighted to promote art and design through a series of seasonal installations and revolving permanent works of art. These connect the hotel with Dubai and its immediate surroundings, creating a strong sense of anchorage to the Middle East and celebrating our most admired and talented artists and designers.

We are thrilled to support and celebrate local art and heritage and regularly commission bespoke pieces, which can be found on display throughout the resort.
