SRS

INNOVATING
FITNESS MOVEMENT

SINCE

1973

Established in 1973, with more than 50 years of solid experience, SRS is one of the leading OEM/ODM fitness equipment and auto parts manufacturers in the world. We have supplied our various and complete range of products to customers worldwide and dedicated itself to serving as a partner for our customers.

Our history has taken our tradition and strength to you, acknowledged for our quality, reliability and service.

We are committed to study, to develop, to manufacture new fitness equipment with the best solution.
