### Wearable breast pump

#### S9 Wearable breast pump

- Massage and breast pumping function
- Small and portable
- Full silicone set brassiere cup
- Low noise

#### S10 Wearable breast pump

- Painless pumping
- Invisible wear
- Easy to clean
- Light weight and portable

#### S10Pro Wearable breast pump

- Digital display
- Massage and breast pumping function
- Light weight and portable
- Invisible wear

01

### Wearable breast pump

#### S12 Wearable breast pump

- Digital display
- Ergonomic silicone flange cover
- Smaller size
- Multi-speed adjustable
- Type-C charging port
- Power display

#### S12a Wearable breast pump

- Digital display
- Ergonomic silicone flange cover
- Smaller size
- Multi-speed adjustable
- Type-C charging port
- Power display

#### S13 Wearable breast pump

- Portable lanyard(optional)
- Silver-plated decorative pieces
- Touch button
- Five gear adjustment
- Long battery life
- Musical note crystal lamp

02

### Wearable breast pump

#### S15 Wearable breast pump

- Portable lanyard(optional)
- Conversion base
- Three modes
- Gold-plated decorative circle
- Multi-speed adjustable
- Long battery life

#### S18 Wearable breast pump

- Integrated design
- Scale refinement
- Blind button operation
- Round shape, smooth design
- Smaller size
- Can be placed upright

#### S21 Wearable breast pump

- LED digital screen
- Integrated design
- Scale refinement
- Transparent PP material
- Smaller size
- Round shape, smooth design

### Portable Bottle Warmer Series

#### N2 Portable Bottle Warmer

- Suitable for a variety of bottles
- Defrost function
- Type-C charging port
- Fast charging function & Ultra-long working time
- Use in variety scenes

#### N3 Portable Bottle Warmer

- Suitable for a variety of bottles
- Defrost function
- Type-C charging port
- 4 levels temperature setting
- Fast charging function & Ultra-long working time
- Use in variety scenes

#### N5 Portable Bottle Warmer

- Suitable for a variety of bottles
- Defrost function
- Type-C charging port
- 4 levels temperature setting
- Fast charging function & Ultra-long working time
- Use in variety scenes

10

### Portable Bottle Warmer Series

#### N1 Portable Bottle Warmer

- Suitable for a variety of bottles
- Defrost mode
- 4 levels temperature setting
- Small and portable & Use in variety scenes
- Ultra-long working time
- Suit for U1 portable sterilizer

#### N1S Portable Bottle Warmer

- Ring-shaped luminous light design
- Defrost function
- Fast charging function & Ultra-long working time
- Prevent from dry-heating design
- Suitable for a variety of bottles
- LED display
- Type-C charging port

#### U1 Portable Sterilizer Cup

- Suitable for a variety of products
- Rapid disinfection
- Type-C charging port
- Anti-dumping protection
- Ultra-long working time
- Multiple modes of use

11

### Sterilizer/ Portable Air Purifier

#### U3 Cleaning brush

- Soft silicone head
- Vibration cleaning
- Four modes
- Wireless charging base
- IP7 level waterproof
- Round shape

#### U5 Supplementary nasal aspirator

- Adapt to the breast pump motor
- Soft silicone design
- Anti-backflow design
- Easy to assemble and clean
- Transparent tube

#### A1 Portable Air Purifier

- Convenient mobile fixing clip
- HEPA filter
- 4-speed wind adjustment
- Portable & Desktop usage
- Air quality monitoring
