II. Restaurant & Bar

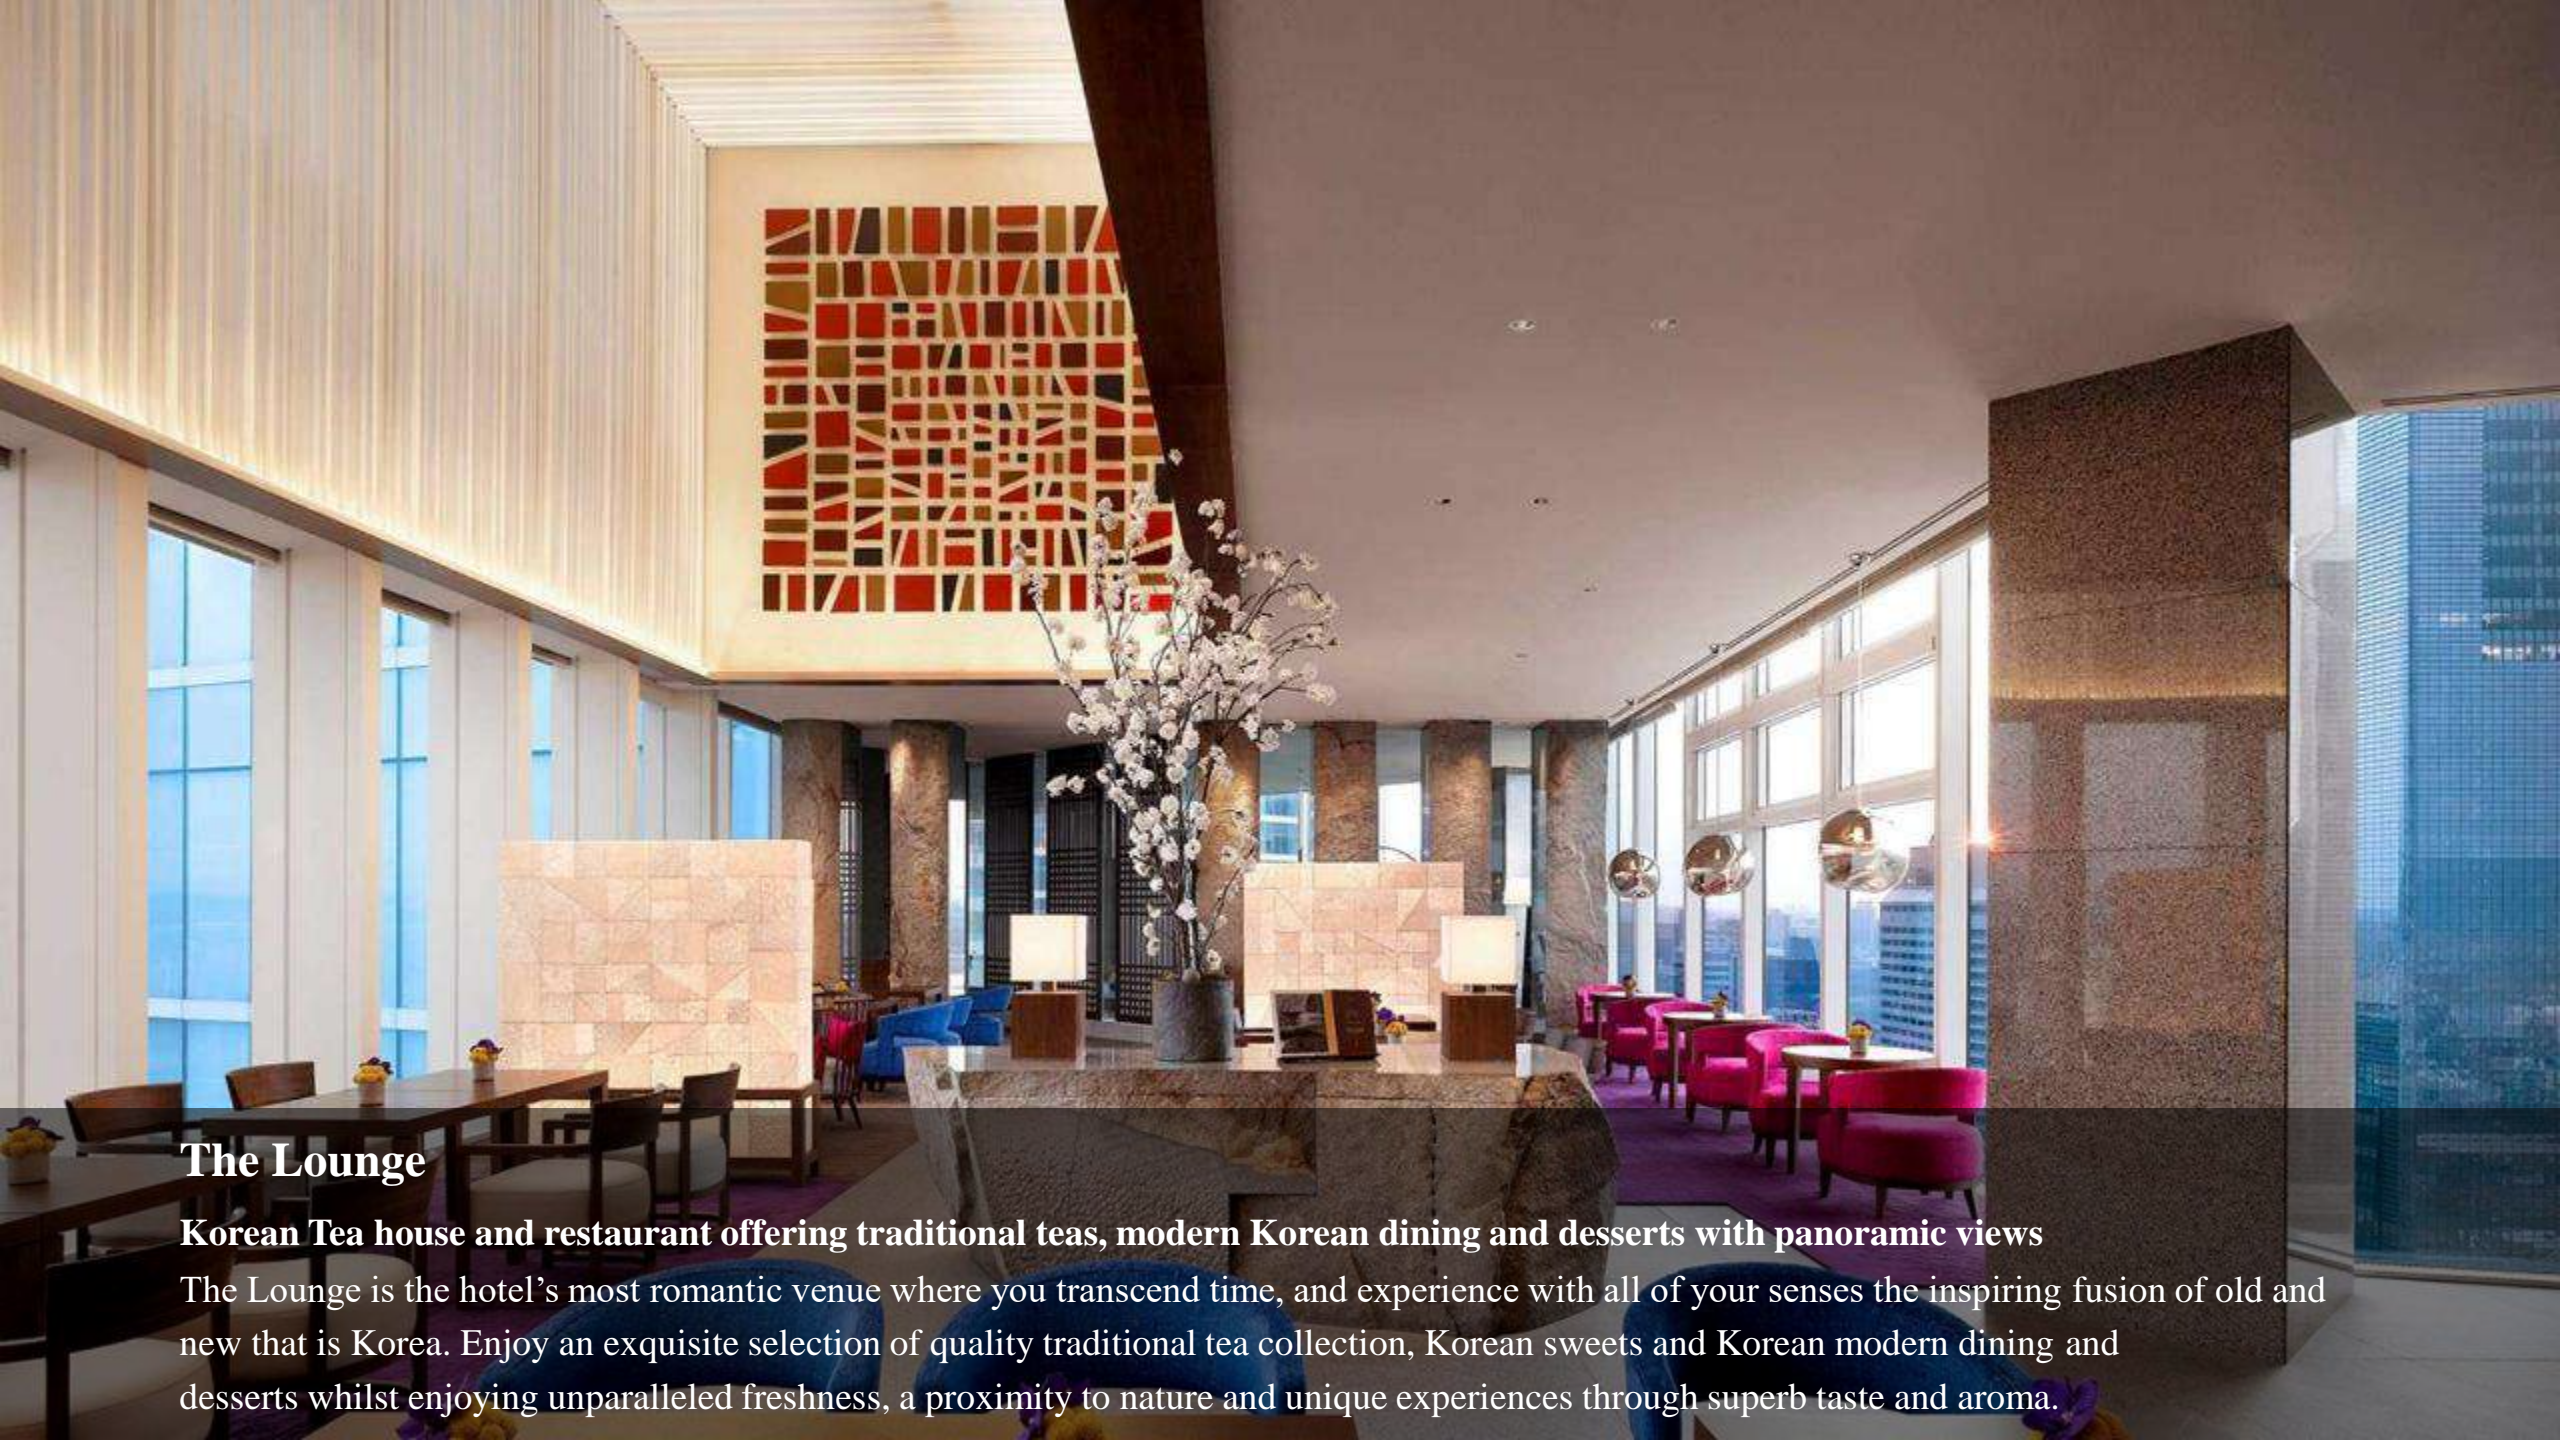

Located on the 2nd floor, our main restaurant, **Cornerstone**, offers authentic Italian dishes, a vast array of premium beverages and a convivial and relaxing atmosphere. Offering panoramic views of Seoul, **The Lounge**, on the 24th floor, serves modern Korean cuisine specially created for the enjoyment of Koreans and foreigners alike, as well as a wide selection of beverages including traditional Korean teas and cocktails. **The Timber House**, on the lower level floor, is a vinyl music bar, presenting Japanese cuisine and premium beverages.

Cornerstone

An authentic Italian restaurant featuring home-style Italian dishes and a variety of beverages

Cornerstone features a convivial and relaxing atmosphere, with our top chefs and culinary team presenting authentic home-style southern Italian dishes using the freshest seasonal ingredients. Diners are also able to experience a vast array of Italian boutique wines with a variety of craft beers and premium sodas.

The Lounge

Korean Tea house and restaurant offering traditional teas, modern Korean dining and desserts with panoramic views

The Lounge is the hotel's most romantic venue where you transcend time, and experience with all of your senses the inspiring fusion of old and new that is Korea. Enjoy an exquisite selection of quality traditional tea collection, Korean sweets and Korean modern dining and desserts whilst enjoying unparalleled freshness, a proximity to nature and unique experiences through superb taste and aroma.

The Timber House

A premium vinyl music bar and restaurant offering an array of beverages and Japanese dishes

As a sophisticated and modern cultural space, The Timber House offers an interior that is an ideal blend of traditional Korean details. The Timber House provides a selection of premium beverages, whiskeys, sakes, wine and signature cocktails, as well as fine cigars, all served with personalized and professional service. The venue's culinary offerings include sushi, sashimi and various Japanese izakaya-style dishes such as ramen, donburi and yakimono.

III. Park Club

High above Seoul, and providing stunning views of the city, is the Park Club private retreat. This provides spa treatments, fitness opportunities, recreation, and nutrition advice and is an exclusive spa and fitness facility limited to hotel guests, spa guests and Park Club members only.

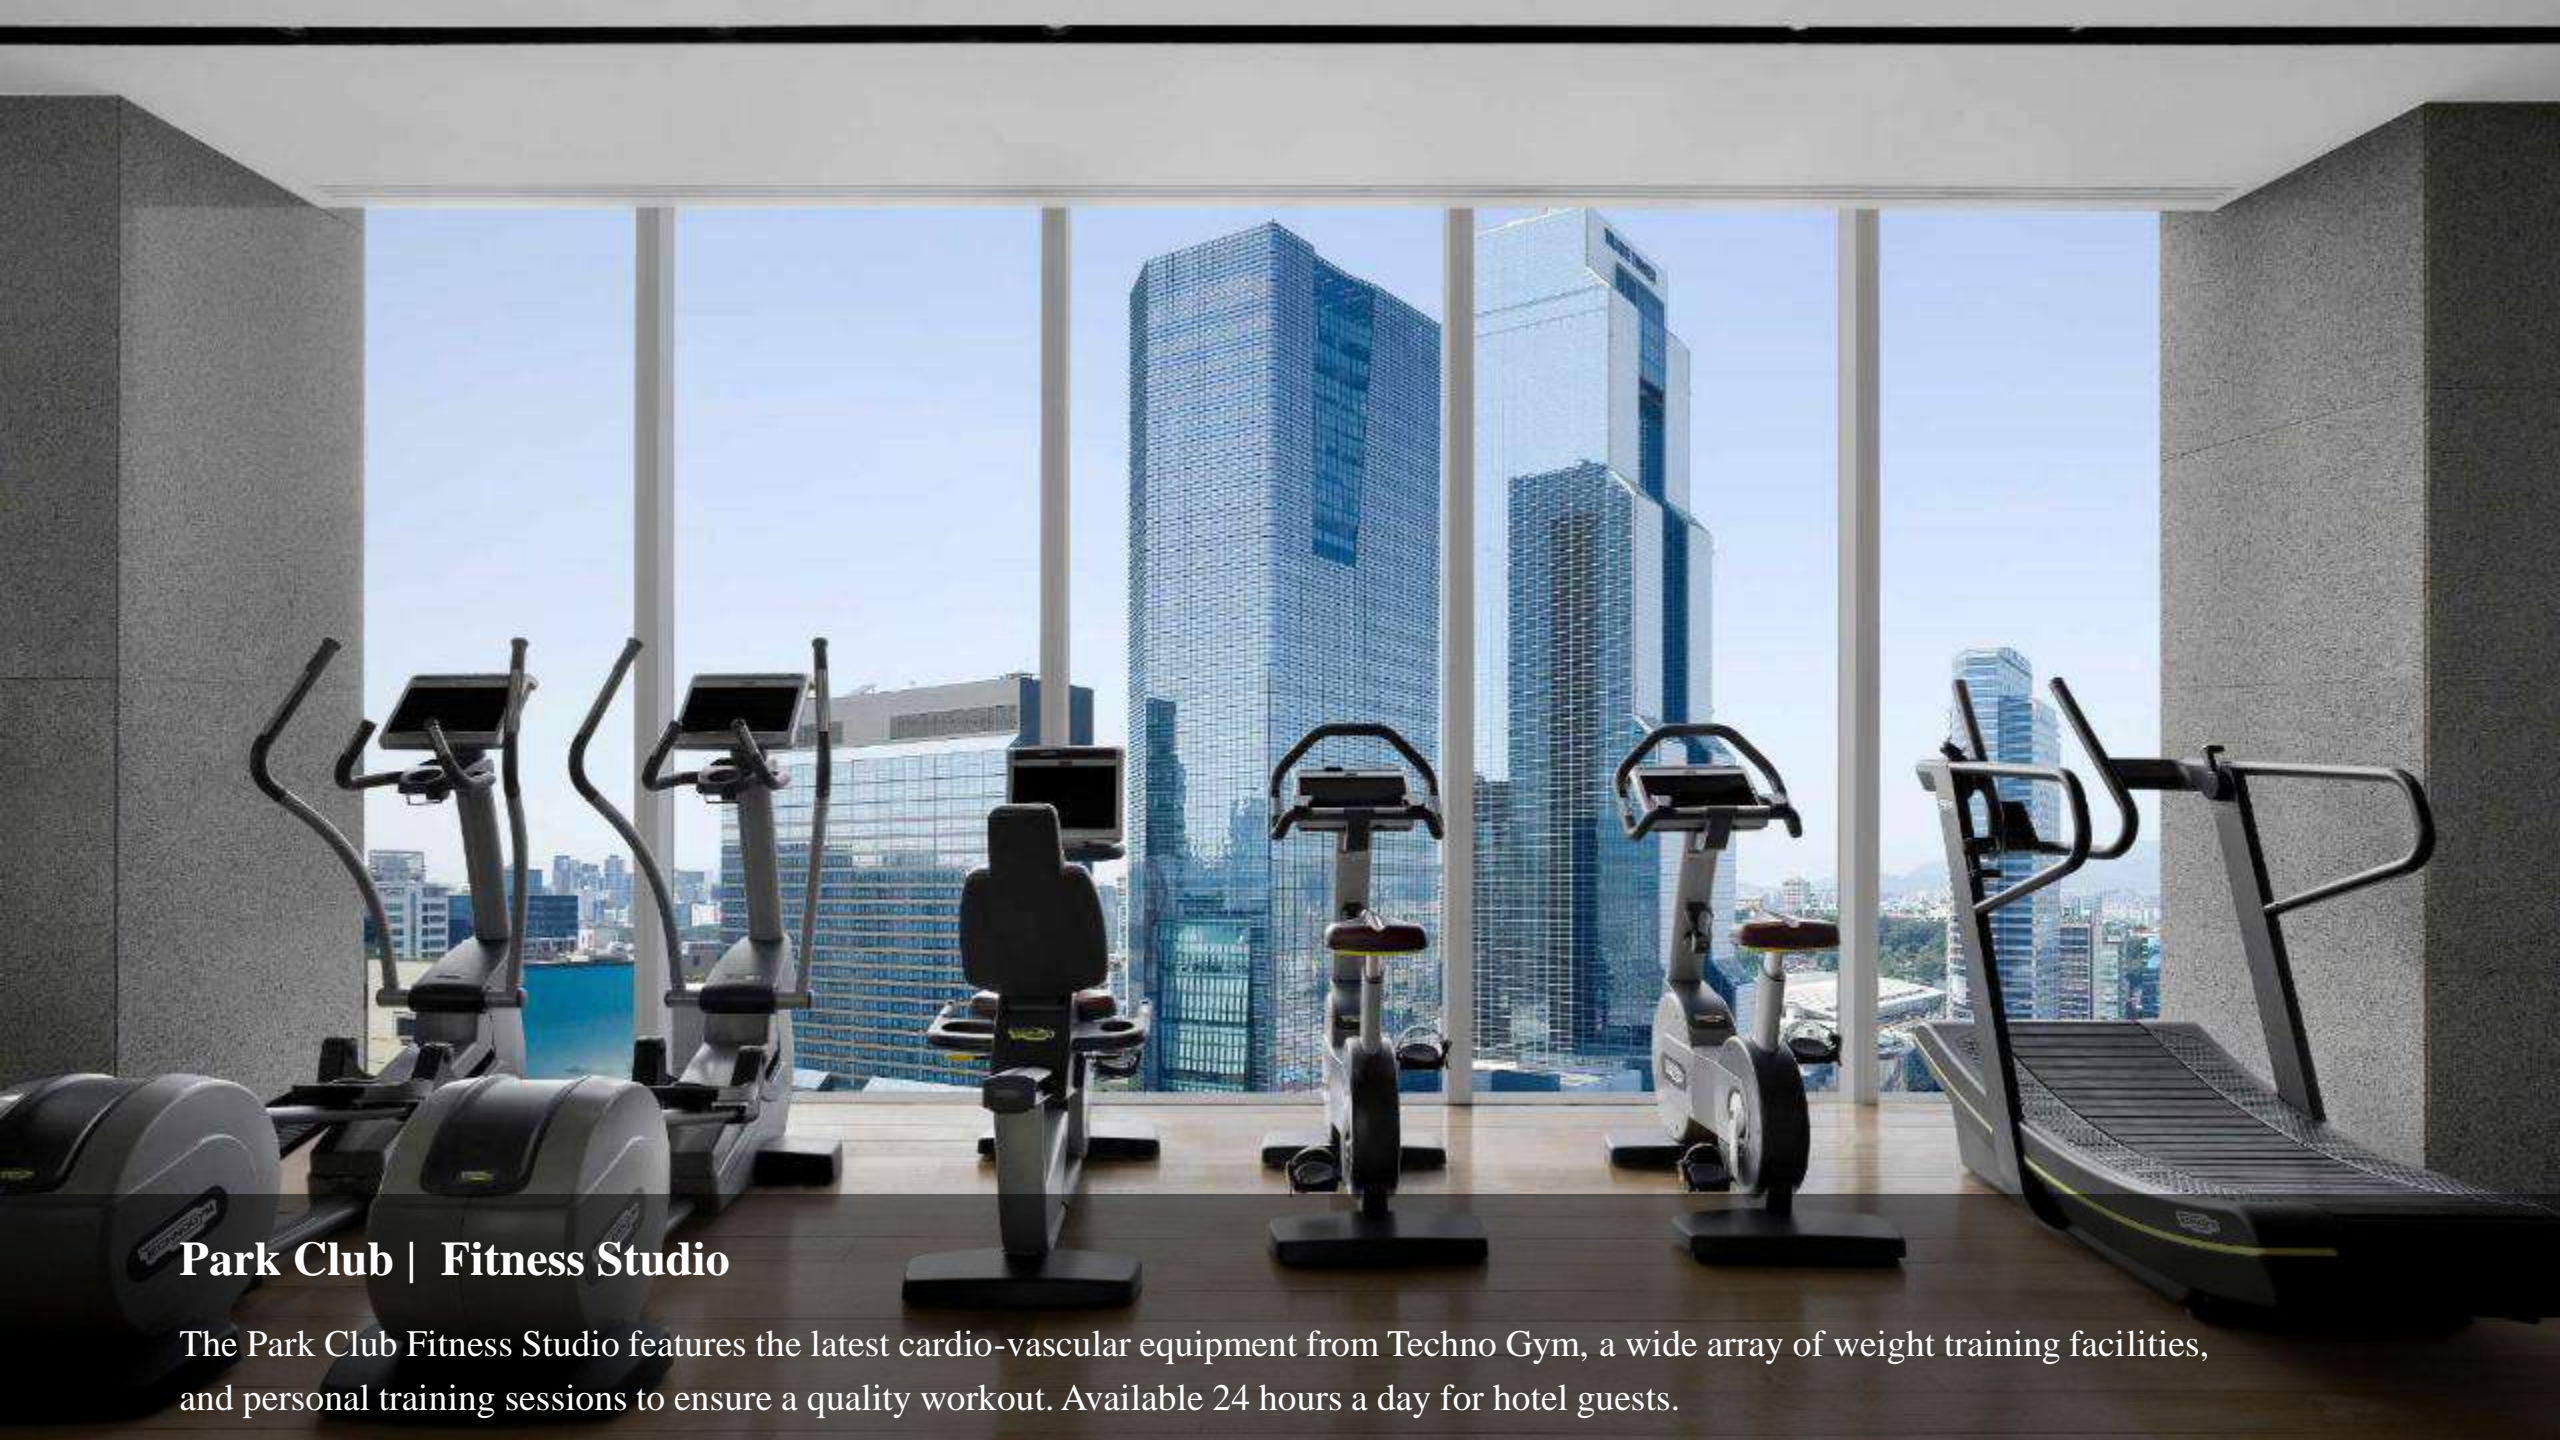

It is a destination that allows you to develop optimal personal wellness and, achieve your fitness goals through, a range of spa offerings, expert treatments and exclusive products.

The Park Club Fitness Studio features the latest in cardio-vascular equipment combined with a wide array of entertainment options and weight training facilities. Its qualified fitness instructors are on hand to ensure a quality workout and personal training sessions may be arranged through the spa concierge. The infinity granite swimming pool provides stunning city views of Seoul through the floor-to-ceiling glass windows.

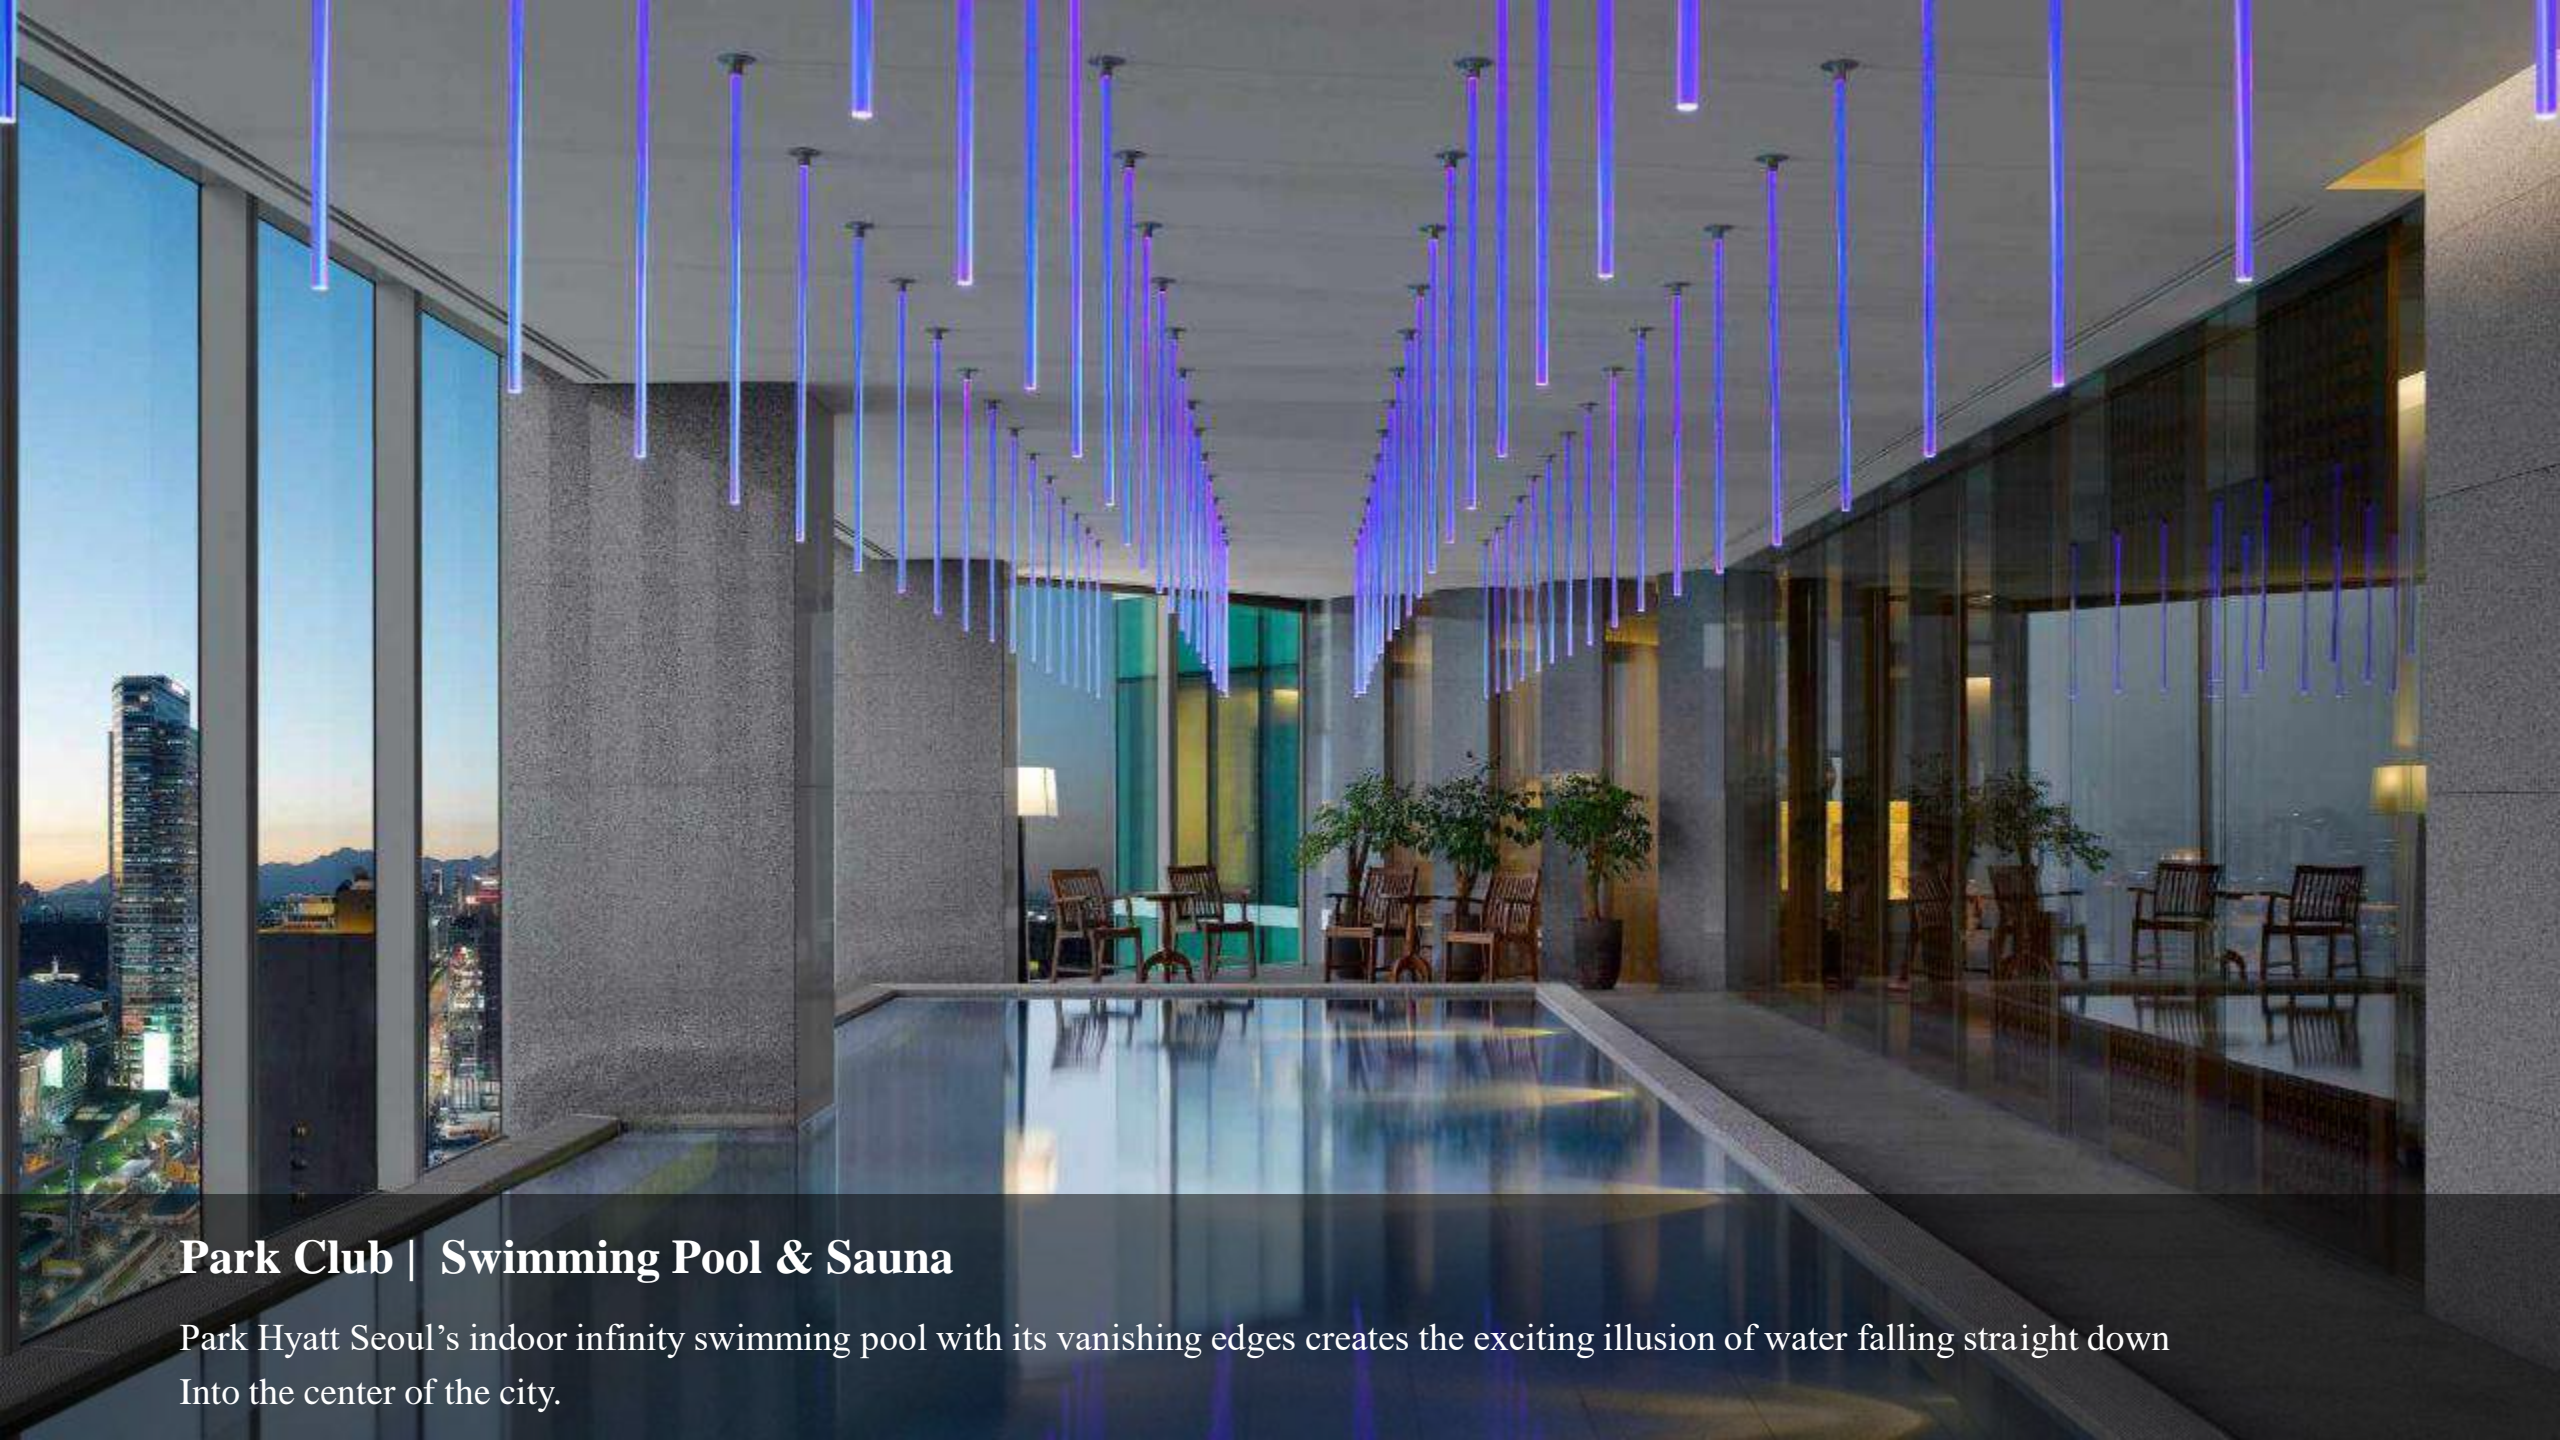

Park Club | Ocelas Spa

Ocelas Spa at Park Club brings together the artful techniques of seasoned therapists with the finest professional spa products to deliver new energy for body and mind, amid stunning views across central Gangnam.

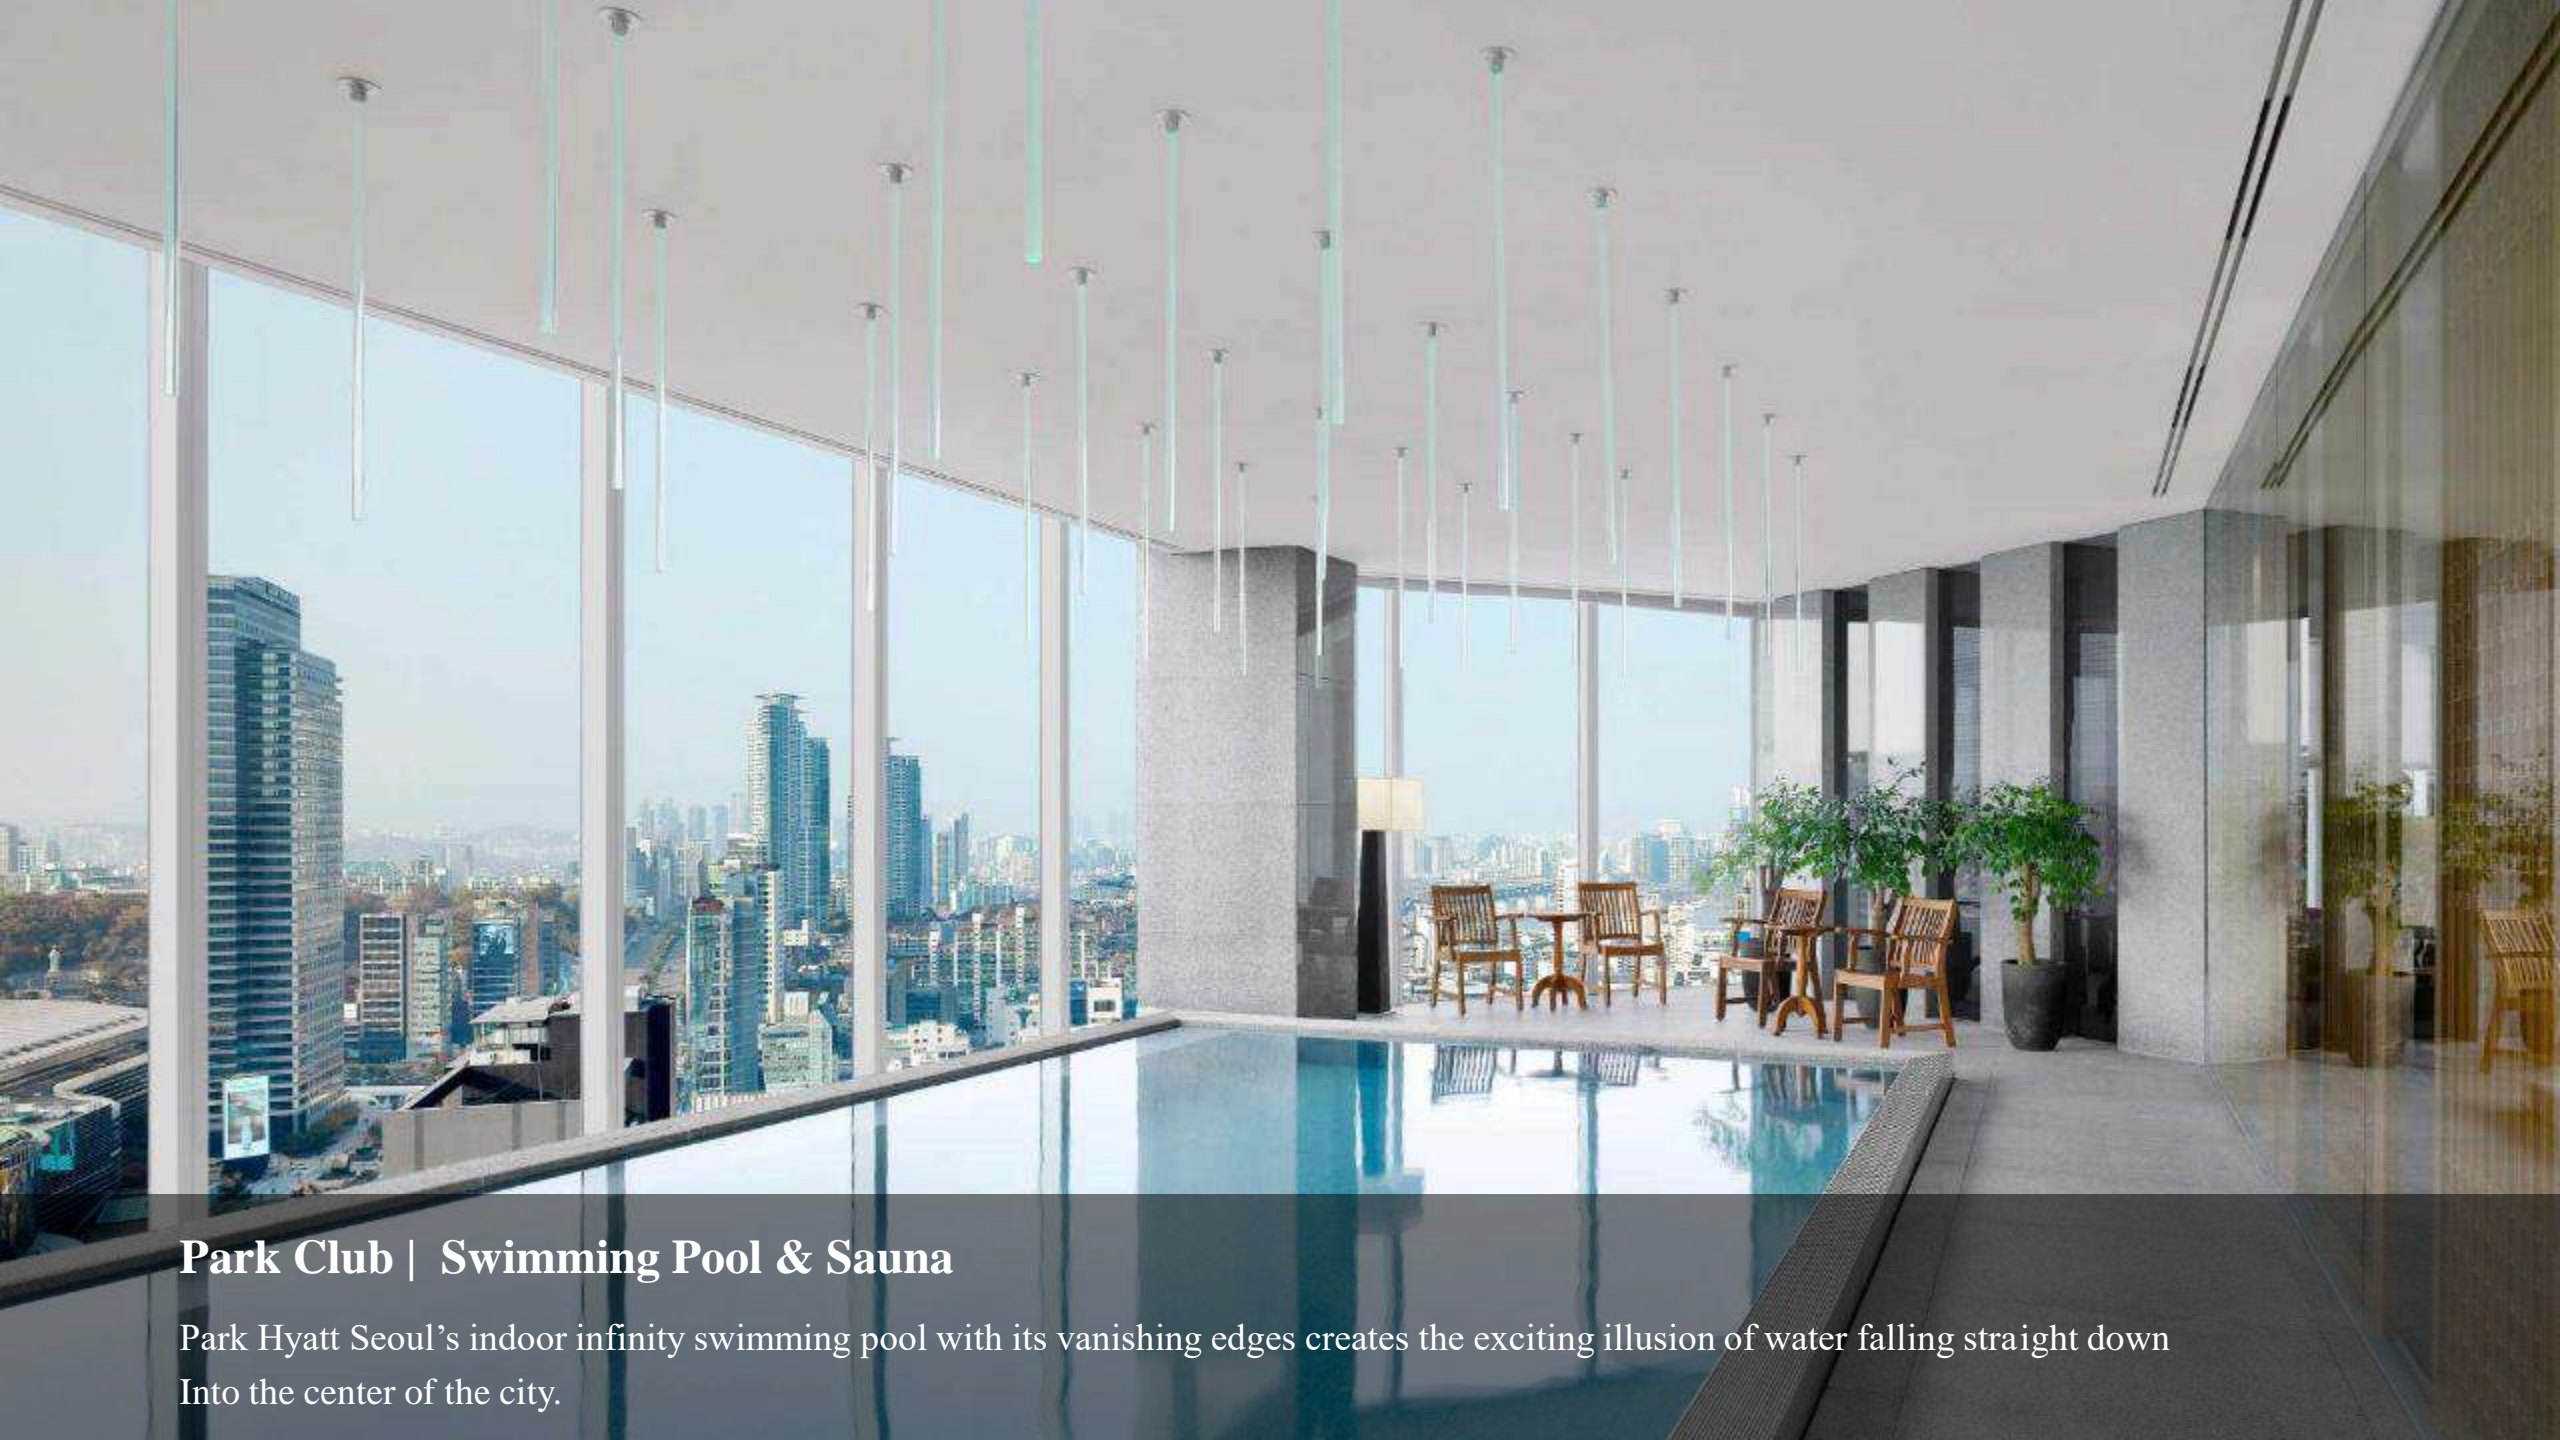

Park Club | Fitness Studio

The Park Club Fitness Studio features the latest cardio-vascular equipment from Techno Gym, a wide array of weight training facilities, and personal training sessions to ensure a quality workout. Available 24 hours a day for hotel guests.

Park Club | Swimming Pool & Sauna

Park Hyatt Seoul's indoor infinity swimming pool with its vanishing edges creates the exciting illusion of water falling straight down into the center of the city.
