

Why SAS?

- Access to top-of-the-line security technologies from over 135 manufacturers
- Risk-free, hands-on experience - Try before you buy with in-branch demos
- Complete customer support, hands-on technical consulting, and education
- Fast turnaround on orders from your local branch with locations for shipping and pickup nationwide

Mission Statement

Our purpose oriented proactive **team** of fellow owners will anticipate needs and be service focused to effectively provide **maximum value** to our partners and ourselves.

Vision Statement

Southwest Automated Security is committed to being **the** acknowledged **leader** in the distribution of gate operators, access control, intrusion, and surveillance equipment. Our well-informed, **dependable** owners are **dedicated** to the success of their customers, suppliers, and each other.

Core Values Statement

We practice and promote The **HEART** principles: Honesty, Excellence, Accountability, Respect, and Teamwork. In each encounter and relationship, every employee owner at SAS promises to convey **Honesty**, personify **Excellence** at all times, deliver **Accountability**, earn **Respect**, and utilize **Teamwork** to provide the best possible service and outcome for our customers and **TEAM/FAMILY**.
