LEGEND OF LOCH NESS ↓ Our girl, our legend.

Born in 2000, at Mustang Marine in South Wales, she gets more than a few admiring glances when cruising on Loch Ness - with those ultra-modern, smouldering looks. The Legend is perfect for private hires given its open and comfortable layout.

SPIRIT OF LOCH NESS ↑

Launched in 2018, we're so unbelievably excited and happy to have the Spirit of Loch Ness in our fleet.

Her sleek, cutting edge design and powerful, low emission engines allow you to enjoy Loch Ness in the utmost comfort.

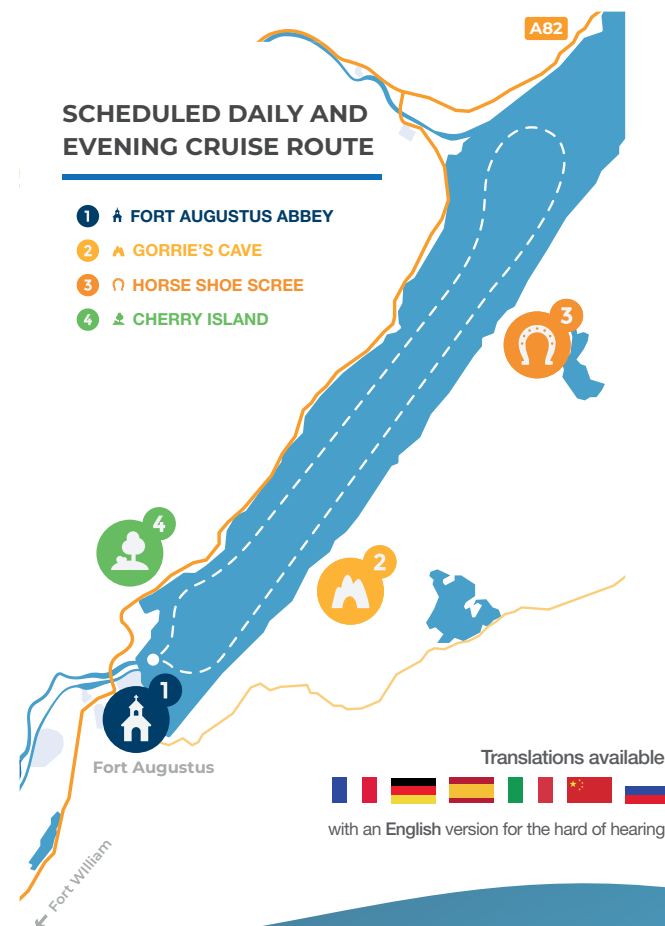

FORT AUGUSTUS

Cruise Loch Ness is based in the picturesque, bustling village of Fort Augustus, the gateway to Loch Ness.

Situated at the south west end of Loch Ness and surrounded by the most unspoilt and rugged Highland landscape, Fort Augustus has a truly unique and breathtaking backdrop. It's a bustling and welcoming little village, full of walkers and cyclists making the most of the surrounding paths and trails, including the Great Glen Way.

 Drop off point/Coach parking available in the centre of the village which is just a short 300m walk from our pier
