COMPANY PROFILE

China Sports
Training Bureau
Cooperative Partner

As a partner of the National Sport and Training Center of China, MERACH exclusively provides treadmills, spinning bikes, ellipticals, rowing machines and massage guns to the national team athletes to prepare for Olympic and other events.

MERACH has been committed to providing consumers with more scientific and efficient fat burning solutions, building a fitness ecology with "MERACH" Ultra burn APP and "Ultra burn live class" as the core, and provides users with all-scenario smart fitness products including fat burning fitness equipment & accessories, exercise recovery and exercise testing equipment.

NEW LAUNCHED "FITONRACE" WORKOUT GAME APP

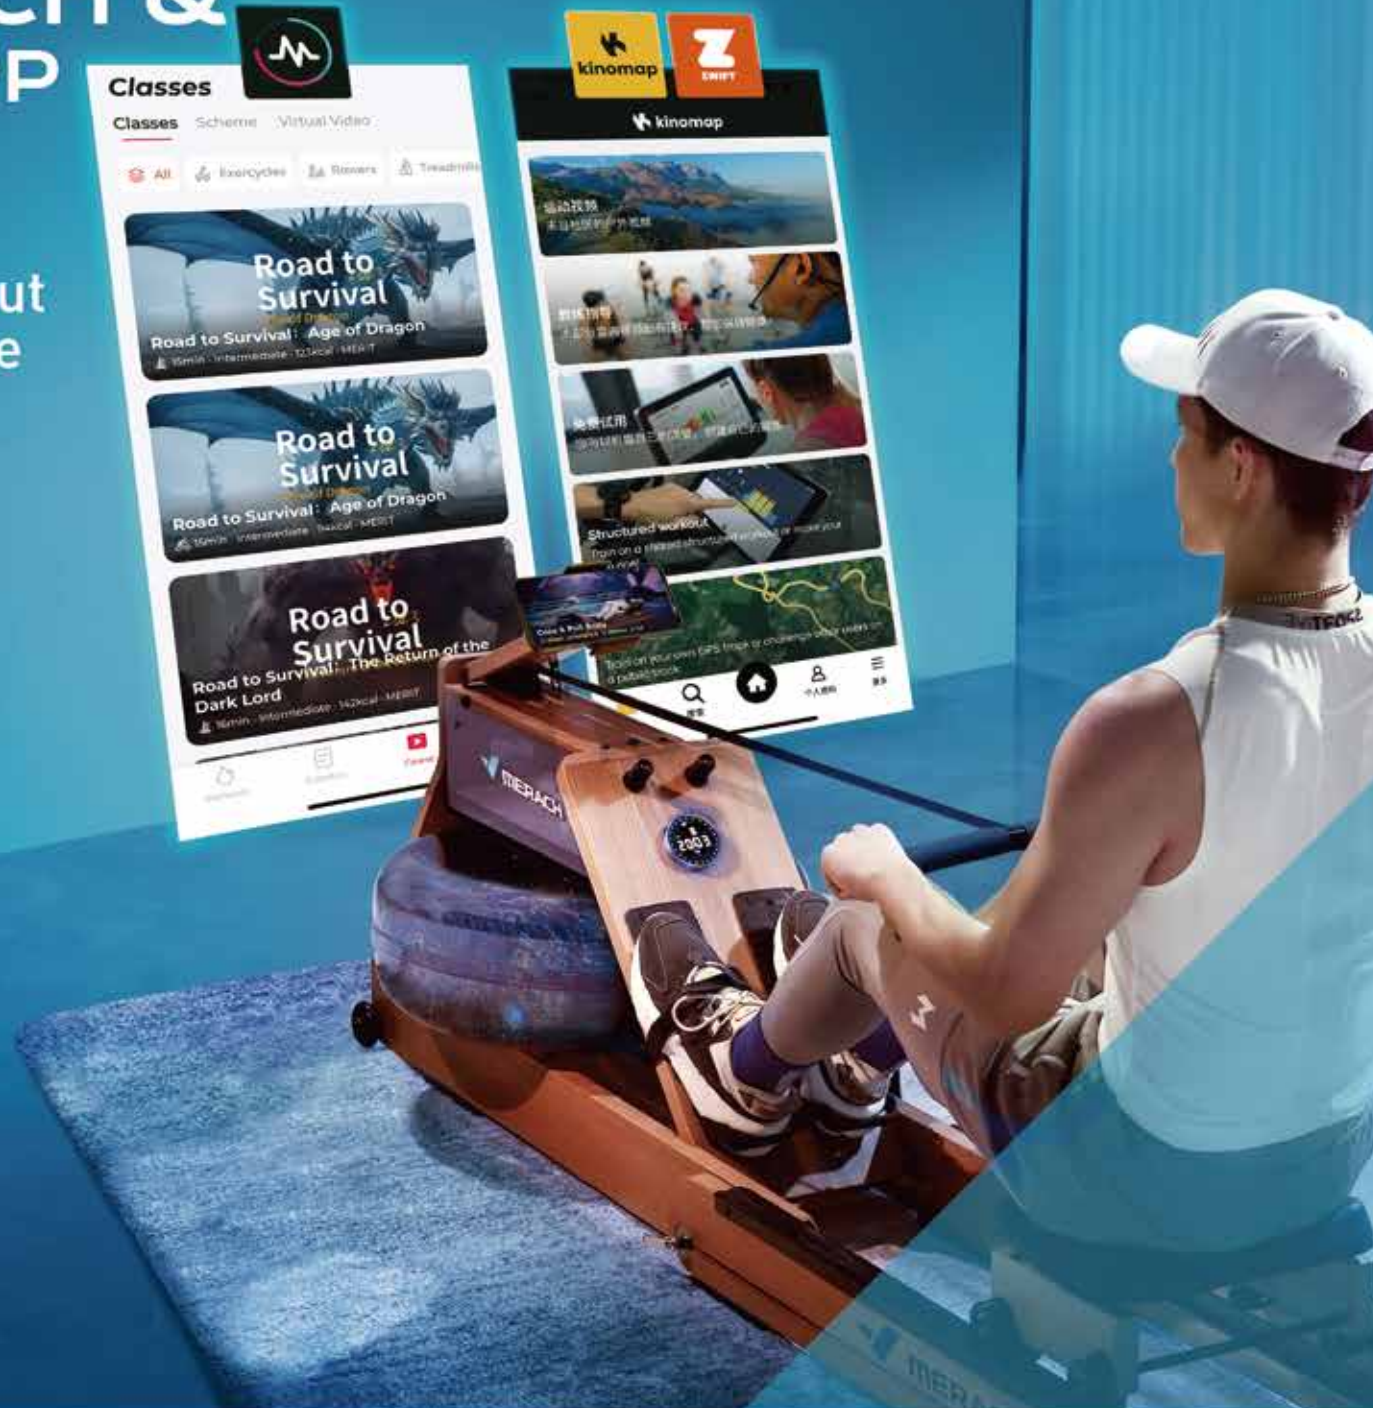

Combined game controller with a full range of fitness equipment products, innovative "game + fitness" new way of exercise. Your workout is no longer a lonely and boring experience, call your partners to come together for a refreshing fitness game competition!

FITONRACE

Support Merach & Kinomap & Zwift APP

Track and measure your workout programs, your achievements are worth being recorded!

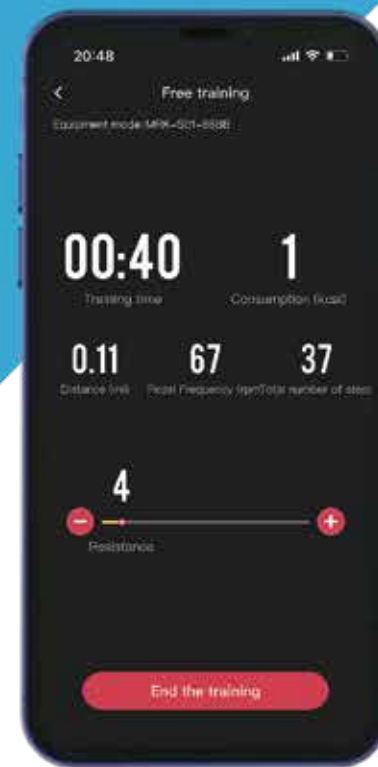

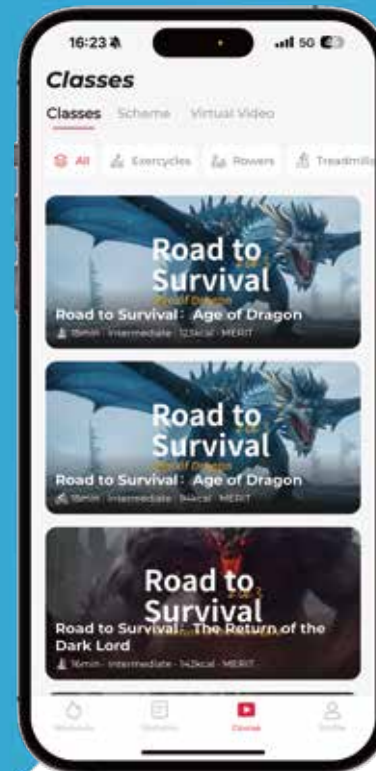

MERACH ULTRA BURN

MERACH
APP

- ✓ Specially designed for MERACH products
- ✓ Real-time synchronization of speed, resistance, incline automatically with the courses
- ✓ Courses for treadmills, spin bikes, rowing machines, elliptical trainers available
- ✓ Live video function
- ✓ Timed training, target training and other training modes
- ✓ APP customization supported

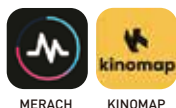

MR-950W1Z ULTRA BURN ROWING MACHINE

Product size	2130*550*600mm
Folded size	1380*550*600mm
Package size	1470*600*590mm
G.W.	41.3kg (91lbs)
N.W.	34.7kg (77lbs)
Container Loading Quantity:	
20GP: 39 pcs / 40GP: 81 pcs	
40HQ: 106 pcs	

- MERACH, KINOMAP compatibility
- Water + magnetic double resistance system
- Water tank size: 18L
- 16-level magnetic resistance adjustment
- Phone holder available
- LED knob content: Time, distance, calories, split, time/ 500 meters, speed, resistance level, tempo, Bluetooth
- Weight capacity: 150kg(331lbs)
- Power: Plug in
