LUXURY SUITES

Stretch out with 650 square feet in a Luxury King Suite or in a 700-square-foot Luxury Two Queen Suite. Nearly double the size of standard rooms offered on the Las Vegas Strip, these suites come complete with a separate sunken living room and an all-marble bathroom.

PREMIUM TWO QUEEN SUITES

This newly remodeled Premium Two Queen Suite offers a generous floor plan totaling 1,100 square feet—a suite double the size of our standard accommodations. Your complete comfort is assured with two pillow-top queen beds and a 130-square-foot marble bathroom featuring a Roman tub with a separate shower.

GRAND KING SUITES

Experience a home away from home with 1,500 square feet and a plush king bed. Retreat to an all-marble bathroom for a relaxing shower or soak in the tub. Gather in the living room, enjoy a game of pool, or entertain at the dining room table.

GRAND ONE BEDROOM KING SUITES

Delight in the luxury of 1,300 square feet located on the top three floors of The Venetian North Tower. Relax in a 200-square-foot marble bathroom with a tub and separate shower. Complete with a wet bar, entertain guests at the dining table or the living room.

LUXURY LOFT SUITES

Located on the top floor in The Venetian South Tower, enjoy 650 square feet of space available with a king bed or two queen beds. Enjoy 15-foot ceilings and an arched window, offering sweeping views day or night. Relish the spacious, tranquil bathroom with a separate tub and shower.
