Everlab Innovation - More than a lighting factory.

Everlab is a Ningbo-based lighting manufacturer specialising in work lights, technical lights and outdoor lights. We're also a full-service provider that goes above and beyond to give each client a competitive edge and a seamless customer experience.

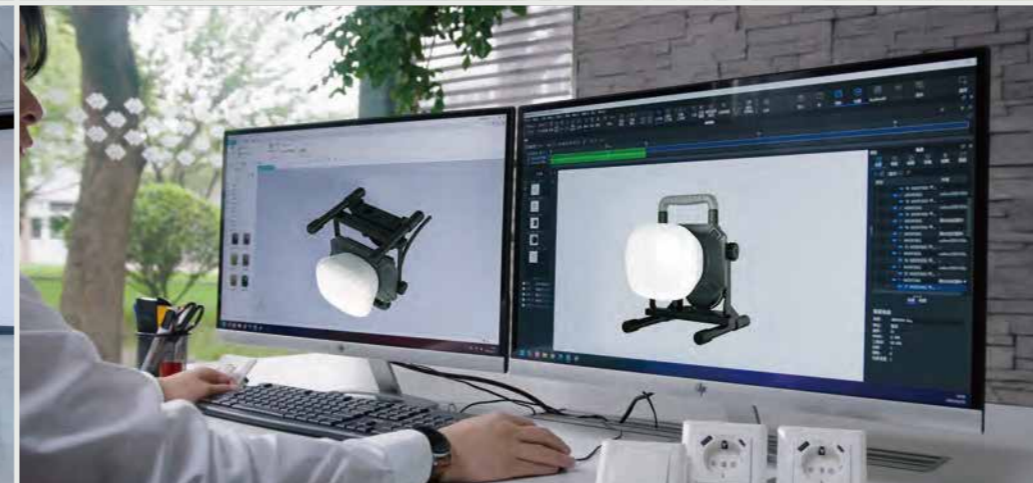

Our mission is to help our customers create market-winning products. Combining innovation and a sharp commercial sense, we consistently hit the sweet spot our clients are looking for in terms of price and quality - whether they're European discounters, big-box DIY retailers, brands or professional market wholesalers.

Our factory

- ODM, OEM and OBM production
- Factory certifications: BSCI, SA8000, FSC
- Product certifications: CE, TÜV GS, SAA, UL
- 30 years of manufacturing experience
- 800 front line workers
- 60 engineers
- 50 injection machines

Our services

- Product design & development
- QA and QC
- China warehousing & consolidation
- Registered off-shelf brands
- Artwork & manuals by in-house marketing team
- Point of sale display solutions

Work Light

Work Light 2in1, 360° & Focus Light AC

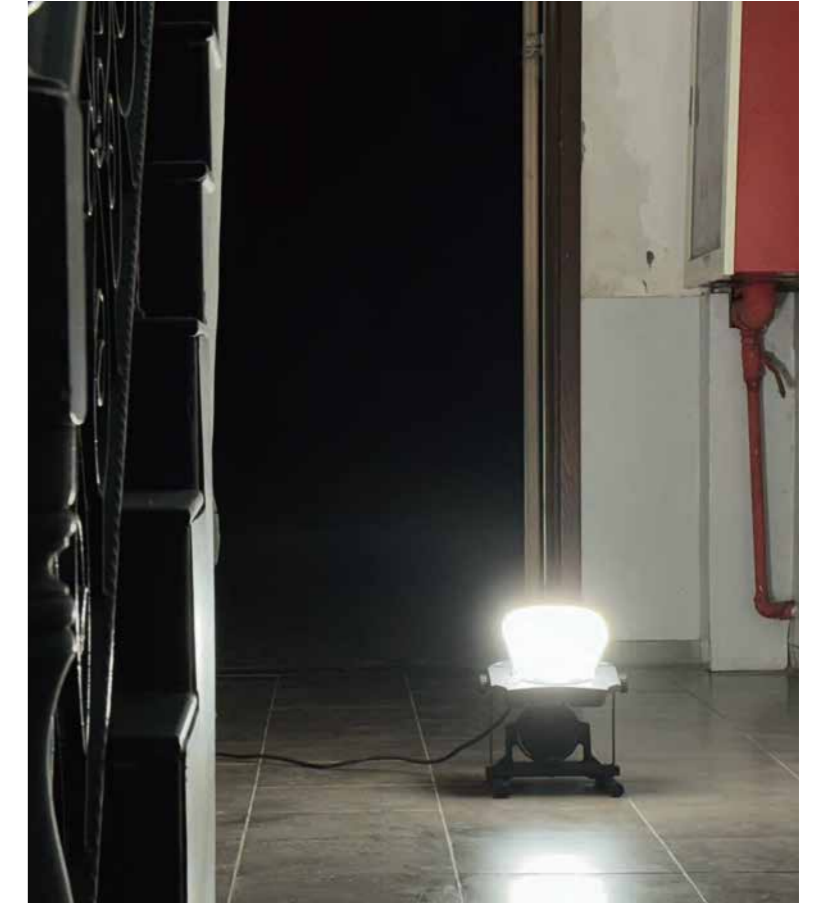

Diffusor storage on backside when not in use

Model	Power(W)	Volt(V)	Lumen	Battery(mAh)	IP	Material	Size(in)
150056	50	120	6000	/	65	Alu+PC	10.04×8.61×12.20

Work Light 2in1, 360° & Focus Light DC

Model	Power(W)	Volt(V)	Lumen	Battery(mAh)	IP	Material	Size(in)
