Special Private Hotel "Ebisu-ya"

Mt. Minobu, Yamanashi

Finely Renovated Early 20th Century Private Villa
Enjoy Great Architecture, Arts, And Local Gastronomy
In The Historic Buddhism Temples Town

Suite Room Of The Holly Mountain

Mt. Minobu (Minobusan) has been counted as one of the three greatest Buddhism holly mountains in Japan along with Mt. Koya (Koyasan) and Mt. Hiei (Hieizan).

Over 800 years, the monasteries at Mt. Minobu have been warm heartedly accepting worshippers and visitors.

The special private Onsen hotel “Ebisuya” is located at the entrance of this historic temple town up on the holly mountain.

The Mochiduki family, which prospered through Sake brewing business with brand of “Ebisu-ya” here, constructed a gorgeous private villa on the riverbank back in early 20th century in order to entertain VIPs.

The private villa is now reborn as a special private Onsen hotel “Ebisuya” in order to entertain guests from all over the world.

The villa has been renovated with perfectly preserving early 20th century architecture, and adding modern functionalities as a high-end hotel.

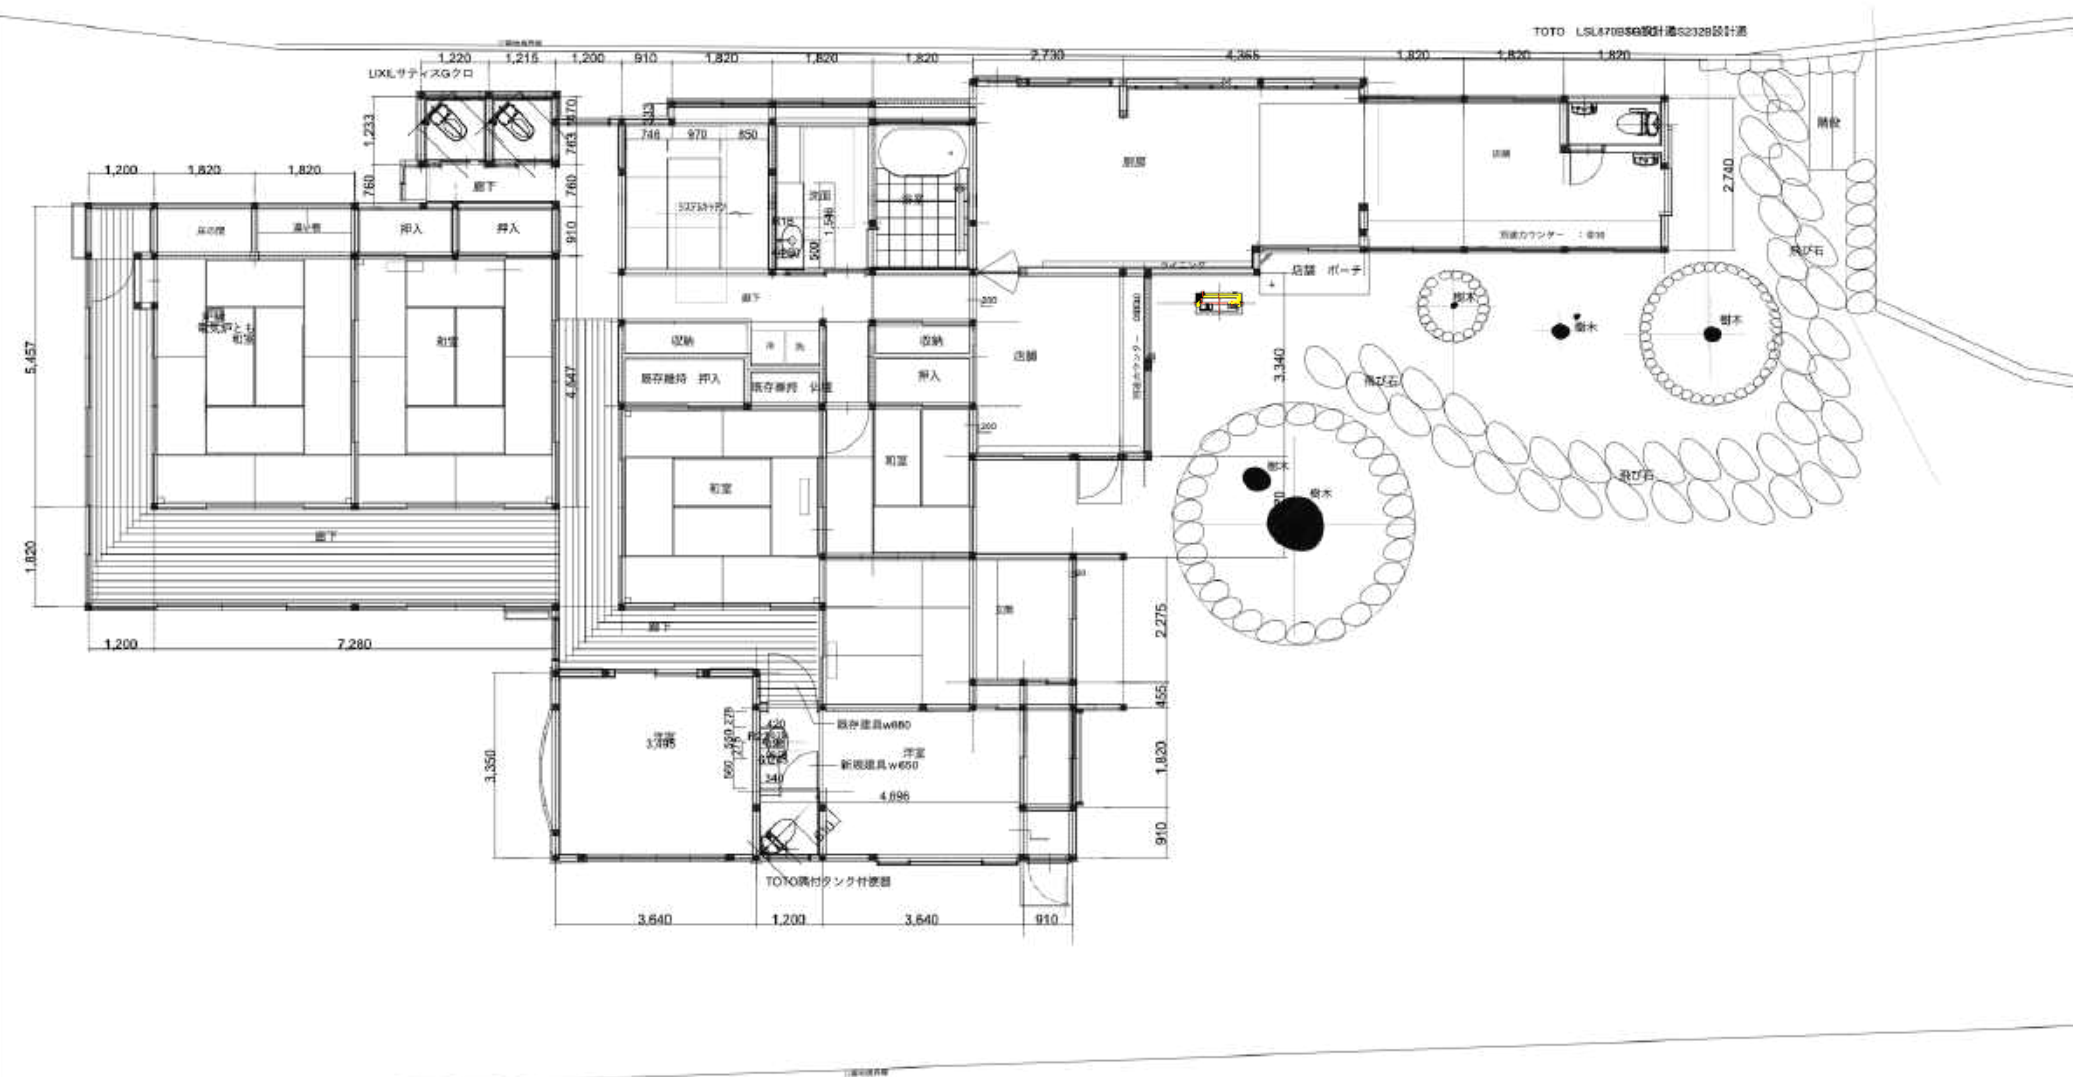

Interior is decorated with cultural heritage artifact, as well as the artworks of traditional artisans and local artists, the guests would feel like staying in an art museum.

The guests can enjoy the only Onsen in Mt. Minobu area in this private hotel, relaxing in a gorgeous “Shigaraki” pottery bathtub.

A spacious wood deck is extended to the riverbank, where the guests can relax and enjoy the beauty of lovely stream, cherry blossoms, greeneries, and autumn leaves.

The hotel has a café “Zenko”, which named after the Mochizuki family’s master’s name for generations, as its annex. The guests can enjoy various unique local gastronomy dishes utilizing fresh local produces. enjoy this 800-year-old holly mountain Mt. Minobu.

The special private Onsen hotel “Ebisuya” is the best place to relax yourself for body and soul and enjoy this 800-year-old holly mountain Mt. Minobu.

②

Transom Carving

Made by the same artist who decorated the main cathedral of Kuonji Temple – the central temple of Mt. Minobu.

Different sceneries are carved on different sides of single wood block. Side ① was completed, but side ② was not; the artist died from alcoholism while the patron of this work was Sake brewery owner and too generous with entertaining the artist with nice Sake.

Onsen Bath, Kitchen, And Washrooms

Water running systems are fully renovated.
The villa's bath is the only Onsen bath available in Mt. Minobu area.
