Castello del Monsignore

SHORT DESCRIPTION:

On Florence hills, in Mucciano, in the area where Giotto and Medici family were born, is Castello del Monsignore, a dream location for exclusive experiences, memorable holidays, and events. Immersed in a huge, age-old parkland this property combines Renaissance elements with refined furnishings, fine upholstery, and the light colours of generous marble bathrooms, spacious lounges, and magnificent stylish suites. The estate also includes a little Chapel, ancient wine cellar ideal for wine and food tasting and romantic dinners, natural truffle field, charming orangery, organic garden, an amazing heated stone pool, sauna and steam bath. A true scent of Florentine history in what was originally home and **birthplace of Monsignor della Casa** author of "**Galateo**" the famous manual of good manners and etiquette.
