

TRONDHEIM SPEKTRUM

Trondheim Spektrum is Europe`s largest multi-purpose arena.

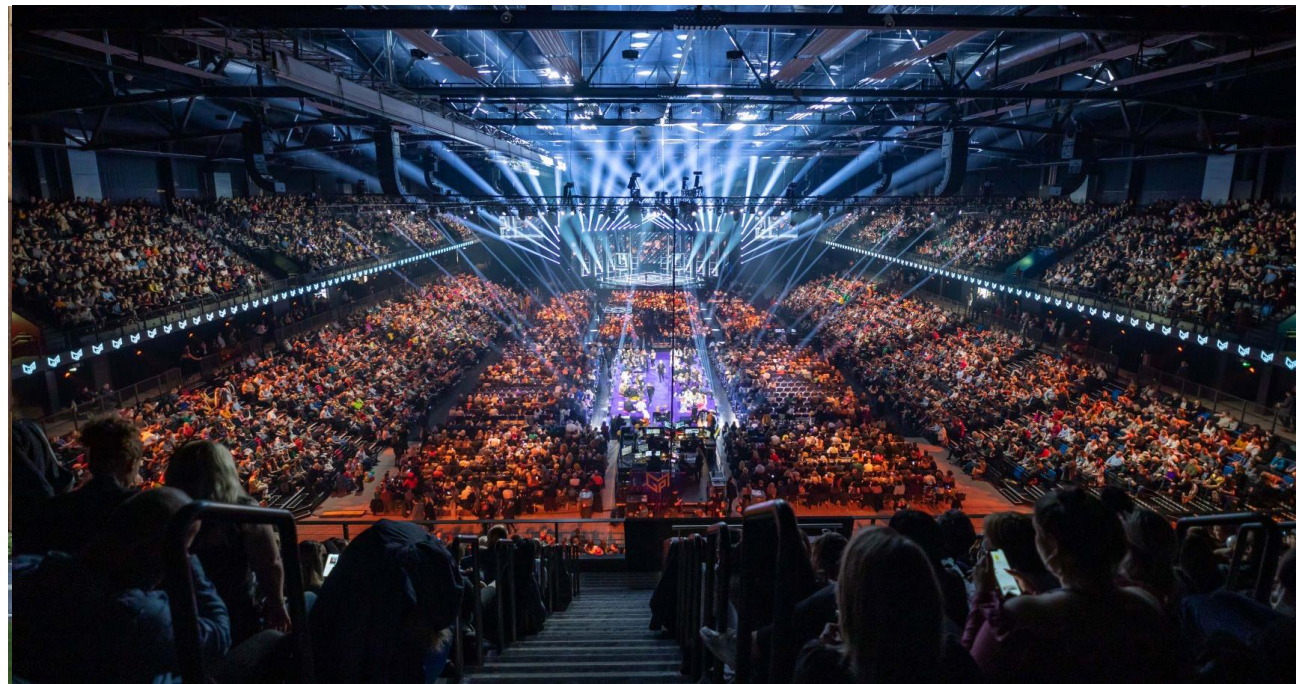

Is used for concerts, sports events, conferences, trade shows and other corporate events.

The arena covers a total of 33,200 square meters, who spreads over several halls connected by a bright and open mingling-area.

18 corporate meeting rooms in varying sizes, from 14 m² til 186 m². Common area with snack bar and espresso lounge.

The largest hall of 4,800 square meters has a maximum capacity of 12,000 people and have been housing large events such as the European Championship in Handball for men, Melodi Grand Prix, Volbeat and Grease.

Trondheim Spektrum is a unique meeting place for all types of fairs and exhibitions. The world's largest fair for aquaculture technology Aqua Nor is held in Trondheim Spektrum and then the entire facility is used both inside and outside.

The fair brings together between 20,000 and 28,000 visitors from 70 nations, and around 70 vendors.

With a location in the heart of Trondheim, it is easy for anyone to get to the event. The public transport network is well organized, and it is a short walk from nearby stops. The location at Nidelven with its parks and greenery, shows the city from its best.
