

ABOUT OUR COMPANY

- **Who are we?** – We are a family company manufacturing gold jewellery in Cordoba, Spain, since 1973.
- **What do we make?** – We manufacture gold jewellery in all karats (9K-10K-14K-18K-21K).
- **How many designs we have?** – We have over 9000 different designs.
- **Where can you meet us?** – We exhibit in Hong Kong, Vicenza, Dubai, JCK Las Vegas, Istanbul...
- **How can you buy?** – You can find our full collections in our website www.piederey.com (Our website is B2B only, remember to login and wait until we activate your business account).

We'd be pleased to be your factory!

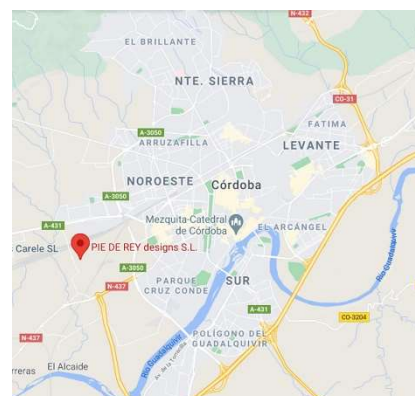

OUR FACTORY

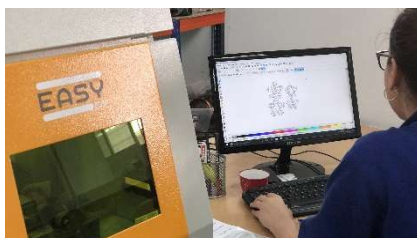

FACTORY LOCATION

We are located at one of the safest and most advanced business complex in the jewelry world, the Parque Joyero de Córdoba, with more than 250 jewellery companies and 140.000 m².

PRODUCTION FLOW

Our factory produces up to 5000 to 8000 pieces a week.

Design

We launch new collections in January and July every year.

Soldering

We monitor each step of the manufacturing process.

Polishing

The finishing with the highest quality is one of our main goals.

OUR COLLECTIONS

- **The largest collection available** – We have more than 9000 different designs available online, and we visit our customers and exhibit in the shows carrying usually 3.500-4.500 top sellers.
- **Continuous renewal and launching of new items** – In January and July, we launch our new collections, with 300 to 600 new items.
- **Custom adapted and custom made designs** – We can adapt our designs to the needs of each market or create your own collection custom made, working together to maximize the sales and rotation.
- **The largest variety of lock systems** – We are proud to offer an extensive variety of locking systems, that can be adapted to any of the designs in our collection. These are some of the most popular:

01 Screw back

06 Opener

04 New Screw

18 Push Back

07 Spa Opener

08 Push&Screw

03 Big Push

09 Silicon Push

19 Labret
