About Us ✨

STAND OUT IN NATURE'S TRUE PALETTE

Inspired by the bold beauty of Mother Earth, KOKOLU is a certified B-Corp lifestyle brand that uses 100% post-consumer recycled plastic, plant-based, and compostable materials (including cornstarch and bamboo) in its bold and timeless accessories.

Our Values ✦

SUSTAINABILITY * COMFORT * STYLE

From the sourcing of materials to the packaging your products arrive in, at KOKOLU our bottom line is to protect the Earth and lead by example. By designing and producing biodegradable and recyclable products that are sustainable, comfortable, and stylish, we aim to help people live a more sustainable lifestyle without having to sacrifice personal style.

Eco Knit Sneaker

SIZE US 6~11 / EUR 36~42

PRICE \$ 126

Made from 100% post-consumer recycled plastic bottles. We've improved our signature greenksole® outsole to be even lighter and more durable! Inside the shoe, you'll find a super comfortable insole made sustainably from bamboo fiber and algae which sends 35 liters of water back into our environment! Just like our ComfortKnit Sneaker, our Eco Knit sneaker is 3D knitted using post-consumer plastic material to create an amazingly soft and breathable upper that helps keep your feet cool and dry!
