

VENDOR OVERVIEW

The Adyen logo is displayed in a white, lowercase, sans-serif font. It is positioned in the upper right corner of the header image, which features a cityscape with modern skyscrapers and a large, ornate sculpture in the foreground. A blue and green wavy line graphic flows across the header, passing behind the logo.

ABOUT ADYEN

Adyen offers comprehensive financial services, covering both online and in-person payments for your hospitality business, all within a single platform. From the moment guests book their stay to check-in, enjoying amenities at the bar and spa, and finally, checking out, Adyen provides a unified approach to managing payments, ensuring a seamless experience that exceeds guest expectations.

Adyen allows you to personalize the guest experience, offering flexibility with check-in and check-out processes, enhanced loyalty programs, and the ability to choose from a variety of local payment methods. With Adyen's platform, you can unify payments across all your properties and channels worldwide, regardless of their geographical location.

Moreover, Adyen helps you reduce PCI scope, minimizing the exposure of card data and resources needed to maintain PCI compliance. Partner with Adyen to integrate their powerful payment solutions with the partners you already trust, creating a seamless and efficient payment ecosystem for your hospitality business.

PRODUCT DESCRIPTION

Online Payments

Effortlessly accept online payments tailored to your business model with swift setup, global coverage, and trusted payment options. Optimize transactions for higher authorization rates, streamline operations with intuitive dashboards, and ensure compliance with standards like PSD2 SCA and PCI. Benefit from advanced fraud protection and customize the platform to match your development resources and speed of delivery.

- **Category: Finance & Payments**
- **Subcategory: E-commerce Payment Platforms**
