Quality enhances the beauty of living

mushie

The Mushie brand was founded in 2018 by Mushie Feigenson, a mother with a passion for aesthetics, safety and function. Mushie's mission is to create beautiful, functional, and sustainable baby products for children around the world.

Today Mushie is known for its minimalist design inspired by the Scandinavian principles of simplicity and functionality.

Mushie's product range consists of thoughtfully curated pieces from toys and dinnerware to toothbrushes and teethingers – all designed with both parents' needs and babies' safety in mind.

Mushie: Baby essentials that bring calm to parenthood.

About Mushie

Safety First

All Mushie products are made from quality materials such as 100% food-grade silicone or 100% organic cotton according to GOTS certification. This ensures that they are safe for your baby's delicate skin or sensitive gums.

Sustainability

Sustainability is at the core of Mushie's values. The company strives to minimise waste through responsible production, such as using materials that can be recycled wherever possible.

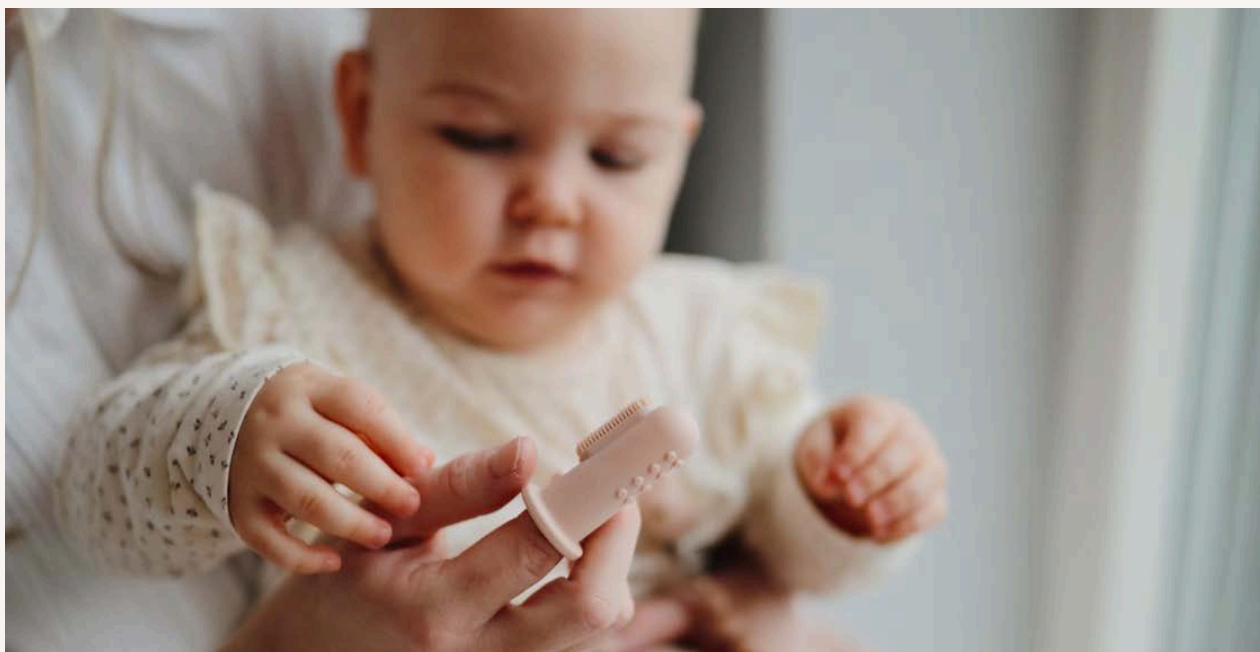

Stylish Design

With clean lines, subtle colours, and minimalist patterns, each design adds a touch of modern style to any children's room.

Care

mushie

Dental Care

Introduce your little one to brushing with Mushie's training and finger toothbrushes, designed to make dental care safe, simple, and fun. Made from 100% food-grade silicone, the training toothbrush features ultra-soft bristles, a suction base, and a removable safety guard to support independent brushing while protecting against choking. For younger babies, the BPA-free finger toothbrush helps soothe teething gums with soft bumps while gently cleaning tiny teeth with its front bristles—perfect for starting healthy habits early.

Pacifier Hygiene

Keep your baby's pacifier safe and clean with a stylish and practical pacifier case from Mushie. Designed for convenience, it easily attaches to a stroller bar or nappy bag, so it's always within reach. The case holds up to three pacifiers, keeping them secure and hygienic when not in use. Made from food-grade silicone, it's both durable and safe for everyday use

Pacifier Clips

With a Mushie pacifier clip your baby's pacifier will be safely secured to their clothing. It prevents the pacifier from being lost or dropped on the floor, and it will also give your baby easy access to self-soothing when needed.

Teethers

mushie

Teethers

Mushie teethers are thoughtfully designed from 100% food-grade silicone, offering a safe, soothing solution for teething babies with soft, textured surfaces that massage sore gums. Their minimalist, modern designs appeal to parents, and they're easy to grip and free from BPA, PVC, and phthalates, blending function, safety, and style.
