Case Pk: 1/Case
Pallet: 28pcs/pallet
F.O.B.: CA 90670

Full Charge Time
Solar Power: 5 to 6 hours
 with direct sunlight while cleaning

Full Charge Time
Power adapter: 3.5 hours

Solar-Power Charging & Adapter Charging

The new Betta SE Plus may also be charged via adapter in addition to solar charging.

Shallow Water Safeguard Design

The shortened ship draft design allows for navigating pool features like shallow water stairs and complex structures with ease.

Smart Auto Clean

Automatically cleans various floating debris on the water's surface; such as leaves, dust, pollen, dead insects, pet hairs.

Large Easy-Clean Basket

With a top handle and fine mesh filter, there is no need to remove Betta from the water. Simply dock it, open the cover and empty the debris basket.

Chlorine and Salt Water Pool

Betta consistently deliver exceptional cleaning performance, whether in freshwater or saltwater pools.

UV Resistant Body

The special UV resistant coating and material prevent damages caused by ultraviolet radiation emitted by the sun.

Ultrasonic Radar Sensors

Ultrasonic radar technology detect obstacles and guide Betta to efficiently clean your entire pool, hassle-free.

Cordless with Remote Control

Switching between automatic and remote control usage is making it incredibly convenient for you.
