

BUILT FOR EXPERIENCES

We are the place you associate with unforgettable experiences. We are event professionals with a mission: **to build the conditions and services that elevate your experience and perception to the highest level.** With our team of event experts and flexible employees, we welcome 2,300,000 visitors each year.

We are also the venue known to 'the greats of the world' since 1971. We are home to international artists, top athletes, politicians and other prominent figures. Apart from that, we are simply Rotterdammers. Proud inhabitants of a forward world city renowned for its passion for innovation and bold architecture. A city that bustles with energy in which we have been working together to promote entrepreneurship, culture and pleasure for over 50 years. **Rotterdam Ahoy. Built for experiences.**

FOR A SUSTAINABLE FUTURE

Did you know that Rotterdam Ahoy is a leader in sustainability? We are building a better future together with partners and stakeholders in various ways. The venue is entirely gas-free. You can organise a sustainable event at Ahoy thanks to our investments in LED lighting, smart cooling systems, heat and cold storage, a moss sedum roof, a water reservoir, and solar panels.

Ahoy Arena

UP TO 16,426 PEOPLE

The Ahoy Arena is an iconic venue. Organise a concert, music or dance event on the spot where U2, Justin Bieber and Jennifer Lopez have performed. Many celebrities will grace the stage in years to come. The Arena also serves as a major venue for world-class sports events. The Ahoy Arena can be transformed from a nightclub into a tennis court, ice skating track or (beach) volleyball field in no time. With perfect acoustics and offering a great visitor experience the Arena is cutting-edge.

HALL 1

10,000 M²

Hall 1 stands as the largest stand alone Exhibition & Event hall within Ahoy. It can also be seamlessly linked to Ahoy Plaza, creating a direct connection to Ahoy Arena, RTM Stage and RACC. This flexibility enables the organization to integrate into a larger event.

HALL 2 TO 6

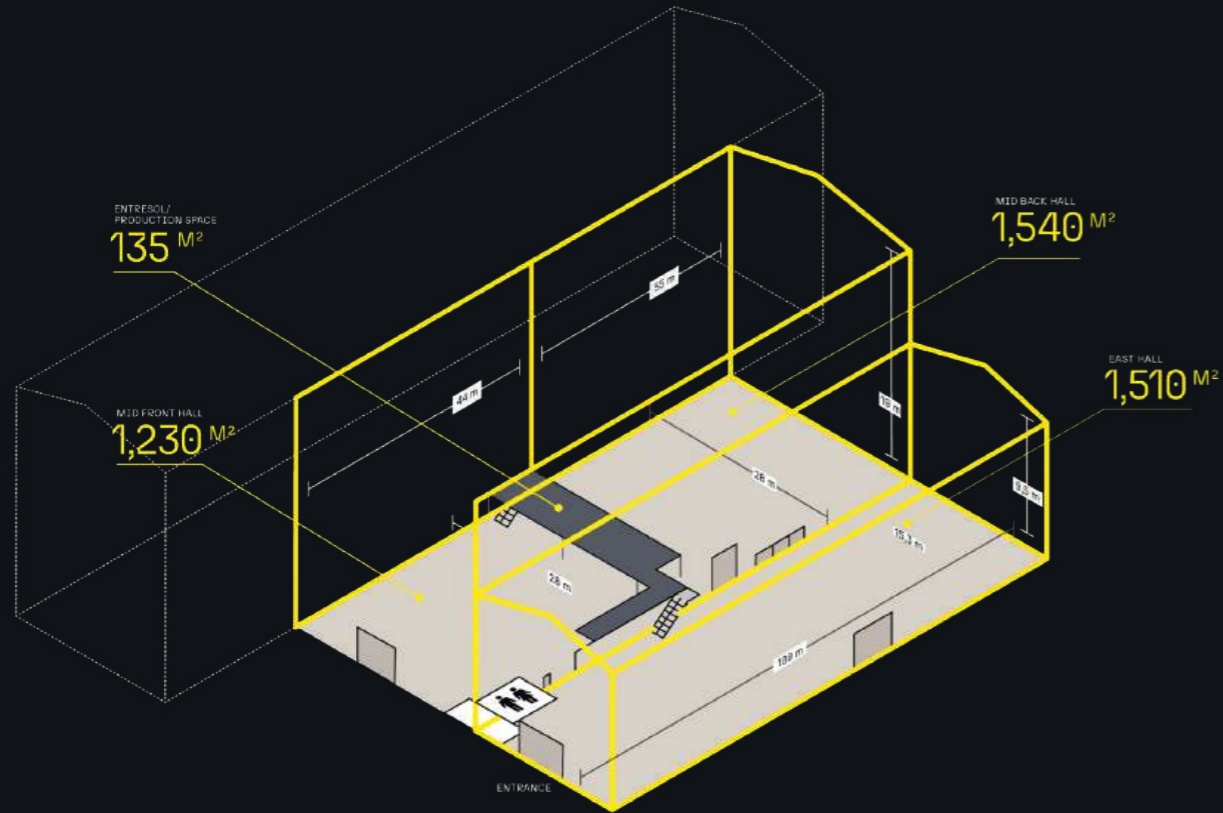

18,500 M²

Flexibility is the most important virtue of these halls. They can be used separately or connected to each other, creating no less than 23,000 m² of floor space.

RDM Onderzeebootloods by Ahoy

4,400 M² - 5,000 PEOPLE

This unique waterside event location is situated in the Rotterdam harbor. The RDM Submarine Wharf has been renovated, but has retained its raw and industrial character. It is perfectly suitable for dance parties, trade fairs, company parties and receptions, conferences, exhibitions and dinners. It features modern facilities, free parking and is completely flexible in terms of layout. The direct location by the water provides an amazing view.
