Diamantaire Savjibhai Dholakia Honoured With Padma Shri Award

Savjibhai Dholakia, the Founder and Chairman of Dholakia Foundation and Hari Krishna Exports Pvt. Ltd., was conferred with a Padma Shri award by the Government of India for his distinguished service in the field of Social Work in Gujarat.

Dholakia commented, "Being honoured with 'The Padma Shri' is not a fluke of fate, but my and my team's hard work (has) paid off. I believe in **तेरा तुझको अर्पण** (meaning 'I offer what is yours to you') and choose the path of serving Mother Earth, regardless of whether or not anyone notices. I have never wished for appreciation and praise; all I wanted was to help the villages. I thank the villagers, government, families, and all those who supported and allowed me to serve and accomplish things I wanted to do for society.

"The success I've been rewarded by nature is because of the sheer determination and hard work done in the last 4 years by me, and the team of 'Dholakia Foundation' (that) helped me a lot to make this magical thing happen. We worked more than I could do in the past 40 years. I had the belief that whatever I was doing would not go in vain, and that inspired me to accomplish more and more for my country. I admit that this is the happiest moment of my life!
