THE AZAMARA® CRUISES DIFFERENCE

SMALLER SHIPS. LONGER STAYS. MEANINGFUL EXPERIENCES

Azamara offers more time in port than any other cruise line, with extended stays, overnights, and late nights that allow guests to experience Europe at its most romantic and authentic. Small ships sail into intimate harbours and hidden gems far from the crowds, while leading the way in Greece with visits to more Greek ports than any other cruise line, blending iconic destinations with lesser-known island escapes. Every journey is enriched through immersive cultural experiences, from wine tastings and historic walks to exclusive cultural evenings that bring each destination to life. Onboard,

guests enjoy the intimacy and elegance of luxury small-ship cruising, paired with world-class service and culinary journeys inspired by Europe's finest kitchens — creating a seamless connection between life onboard and the heart of every destination.

OUR FLEET

WE DOCK CLOSER

Our proud fleet offers smaller, comfortably elegant ships that can dock closer to your destination, giving guests additional time in port.

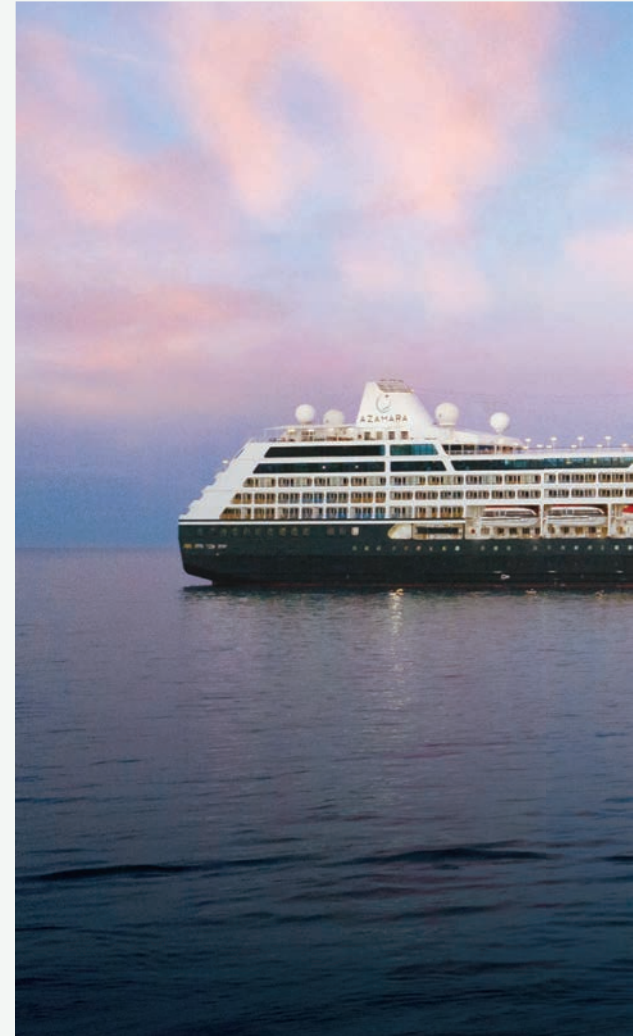

Our focus on destination immersion lets you make the most of every moment—enjoying rich culture, cuisine, and unrushed exploration. Unlike large ships, our intimate small ships dock closer to city centers, avoiding long transfers and shuttles. Step off and dive straight into each destination's vibrant energy. Experience the unmatched benefit of arriving at the doorstep of the world's most captivating places.

OUR CREW

THE BEST PART OF THE TRIP

From the moment you step onboard, our attentive staff goes above and beyond to make your cruise exceptional.

Our smaller ships allow for personalized service and attention to detail. Guests may come for the destinations, but they return for the crew—and nothing brings us more joy than welcoming them back year after year.

DESTINATION IMMERSION

**SEIZE THE DAY. STAY THE NIGHT.
AWAKEN YOUR SOUL.**

Our carefully curated itineraries are designed to give guests more time in every destination, with longer stays in port, more late nights, and more overnights than any other cruise line — creating deeper opportunities for cultural connection and discovery. From Country-IntensiveSM itineraries to exclusive access in lesser-known ports, our small ships go beyond the ordinary. Immersive excursions and overnight experiences ashore bring local traditions, history, and everyday life to the forefront, while onboard Cultural Engagements, regional performances, and destination-inspired cuisine continue the connection. Together, these experiences define Destination Immersion[®] — meaningful journeys that unfold day and night, both ashore and on board.

AUTHENTIC EXPERIENCES

UNFORGETTABLE PERFORMANCES

One-of-a-kind, complimentary, immersive cultural experiences exclusively created for Azamara guests. First launched in 2011 to inspire guests to dive deeper into the heart of each destination, these extraordinary evenings showcase music, art, and culinary traditions in unique settings where authentic culture truly comes alive.

Most **AzAmazing Evenings®** take place ashore, often in iconic venues while the ship stays late in port, aligning with our hallmark of Destination Immersion®. On select occasions, equally captivating experiences are brought onboard.

*For sailings of 9 nights or longer, exceptions may occur when local infrastructure does not allow for an onshore event; in such cases, the experience will be hosted onboard. In rare cases—such as select transoceanic crossings or charters—AzAmazing Evenings® will not be offered.
