COMPANY PROFILE

SHENGHONG Group was founded in 1992. We are a differential polyester producer with the annual capacity 3.5 million tons. We achieved the Top 1st DTY capacity in the world, rewarded as 'Superfine Yarn Production Base' by CNTAC (China National Textile And Apparel Council), meanwhile we are well known as 'Global Superfine Yarn Expert'. What's more, we are the No.1 largest Recycle Polyester supplier in the world.
