TALC industries feel pride to assist Hospitals Industries for providing humanity & animal care tools and equipment since last many decades. Our ancestors started this business on learning level and have fully exhausted three generations to achieve the acceptable level of Surgical Instruments. Now have become one of the leading manufacturer & supplier of surgical, Dental and Veterinary Instruments in the world and still working to progress further.

All instruments are manufactured under the supervision of highly professional & experienced craftsmen with years of product experience.

All products are being controlled through the compliance with Quality Management System ISO 9001/ISO 13485, GMP, FDA USA AND CE.

Today our products are sold worldwide, from Asia, Africa to Europe and America.

We challenge ourselves to meet our consumer loyalty through quality, productivity, timely delivery and competitive prices.

With us you can always be ahead of competition.

We believe in quality and that is the aim we follow to provide the best quality products.
