RENOVATED IN 2020
Bahia Principe Grand Tulum

Reopened November 2020, after a comprehensive renovation featuring the “ORIGIN” concept, which is inspired by nature as well as the roots and origins of the magic of Mayan culture. The main lobby, the swimming pool, wet bar and sundeck, as well as the theater, were all completely renovated. The villas and rooms now offer the ultimate expression of modernity and functionality, breathing fresh air through textures and materials that take us back to the origin of civilization. The brand-new and expansive Kids Zone named Zama, which was the original name of Tulum’s walled city, features numerous activity areas where children can learn about the Mayan culture through play, archaeology, and exploration.

PGA
Riviera Maya
BY BAHIA PRINCIPE GOLF

https://pgarivieramaya.com/

PGA Riviera Maya is an impressive landscaping work in which the renowned Robert Trent Jones II has managed to create a spectacular synergy by integrating the golf course into the Mayan jungle, complete with natural lakes and cenotes.

It has a spectacular 18-hole championship golf course plus another course featuring 9 par-3 holes. The 27 holes were cut deep into a limestone quarry so that their fairways emerged from the natural contours of a dense jungle combined with mangroves.

Thanks to their environmental awareness and the use of state-of-the-art technology, the architects of the Robert Trent Jones II team managed to efficiently integrate the natural wonders of the area into the design of the course.

In 2021 it was acknowledged by Golf Digest magazine, one of the most prestigious golf publications, to be among the best resorts in Mexico and the Americas. PGA RIVIERA MAYA, the only course in partnership with the PGA of America in Tulum and powered by Troon Golf.
