ECLAFIN M AMPOULE

GLOW BOOSTER

Radiating a brilliant glow, it is infused with lustrous pearls,
providing deep hydration that fills from within.

PACKAGE

- **Contains** 5ml
- **Packaging Unit** 5ml * 5 ampoules

Moisture Glow

Benefits

Moisturizing & Radiant Glow

Key ingredient

※Limited to the cosmetic ingredients' inherent characteristics.

Moisturizing

17 types of Amino Acids

Sea Water

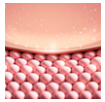

HA (HA Transome)

Glow

Pearl Extract

Niacinamide

Elasticity

15 types of Peptides

Hydrolyzed Collagen

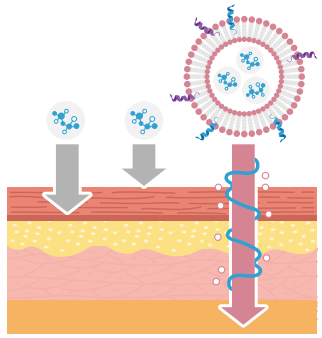

Adenosine

Feature

HA Transome[1], a component for radiant and moisturized skin, is infused with skin penetration technology[2]

1) Water, Alcohol, Glycerin, Lecithin, Hydrolyzed Sodium Hyaluronate, Polyglyceryl-10 Oleate, Butylene Glycol, Lysolecithin, Decapeptide-40
2) MTD (Macromolecule Transduction Domain) skin delivery technology

◆ **HA Transome**
Skin delivery formula of hyaluronic acid that is excellent for supplying moisture to dull and dry skin

Recommendation

- Rough and dry skin
- Dull and lifeless skin

ECLAFIN V AMPOULE

FIRMNESS BOOSTER

Explore the essential firmness that revitalizes the underlying structure of sagging skin and **harness the power of skin lifting**.

PACKAGE

- **Contains** 10ml
- **Packaging Unit** 10ml * 5 ampoules

V-shaping Lift

Benefits

Strengthen Elasticity & Lifting

Key ingredient

※Limited to the cosmetic ingredients' inherent characteristics.

Elasticity & Lifting

Sodium Deoxycholate

Carnitine

Promote Circulation

Caffeine

Aesculus Hippocastanum (Horse Chestnut) Extract

Skin Tightening

Betula Alba Leaf Extract

Ophiopogon Japonicus Root Extract

Juglans Regia (Walnut) Seed Extract

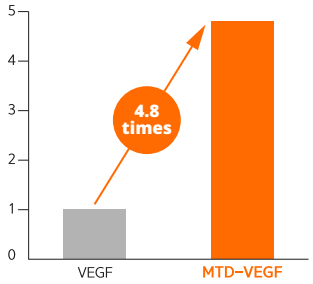

Feature

VEGF[1], a component that improves blood flow and elasticity, is infused with skin penetration technology[2]

1) Methionyl-sh-Polypeptide-9 Decapeptide-40

2) MTD (Macromolecule Transduction Domain) skin delivery technology

◆ Skin permeability of MTD-EGF increased by 4.8 times compared to general VEGF

* Fluorescence intensity analysis of artificial skin (EpiDermFTTM, MatTek) using confocal microscopy

Recommendation

- Sagging and blurred facial contours
- Drooping double chin

ECLAFIN P AMPOULE

SURFACE BOOSTER

Unveiling the ultimate defense against aging skin,
our carefully selected antioxidant-rich ingredients
ensure firmness and vitality.

PACKAGE

- **Contains** 5ml
- **Packaging Unit** 5ml * 5 ampoules

Perfect Revital

Benefits

Anti-aging & Antioxidation

Key ingredient

※Limited to the cosmetic ingredients' inherent characteristics.

Anti-aging

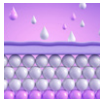

Sodium DNA

Acetyl Hexapeptide-8

Strengthening the Skin Barrier

Panthenol

Antioxidants

Anemarrhena Asphodeloides Root Extract (Volufiline)

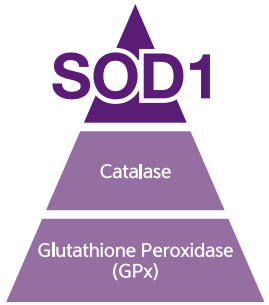

Feature

SOD1[1], an excellent antioxidant, is infused with skin penetration technology[2]

1) r-(Methionyl sh-Polypeptide-60 Decapeptide-40)

2) MTD (Macromolecule Transduction Domain) skin delivery technology

◆ SOD1 (Superoxide Dismutase1) is recognized as the most potent antioxidant enzyme found in living organisms, renowned for its ability to eliminate reactive oxygen species.

Recommendation

- Loss of elasticity and fine wrinkles
- Aging and damaged skin

ECLAFIN S AMPOULE

TONE BOOSTER

Reveal a luminous and flawless complexion,

as the light within your skin shines brightly and clearly.

PACKAGE

- **Contains** 5ml
- **Packaging Unit** 5ml * 5 ampoules

Smooth Lucent

Benefits

Brightening & Vitality

Key ingredient

※Limited to the cosmetic ingredients' inherent characteristics.

Skin Lightening

Tranexamic Acid

Glutathione

Nutrient

9 essential amino acids*

* Isoleucine, Lysine, Leucine, Methionine, Phenylalanine, Threonine, Tryptophan, Valine, Histidine

Vitality

6 types of Vitamins**

** Inositol, Niacinamide, Calcium Pantothenate, Thiamine HCl, Pyridoxal 5-Phosphate, Riboflavin

Feature

Trx[1], an excellent ingredient for skin brightening and antioxidation, is infused with skin penetration technology[2]

◆ Trx (thioredoxin) defends against UV-induced skin damage and inhibits melanin production, promoting a brightening effect.

1) R-(sh-Polypeptide-2 Decapeptide-40)

2) MTD (Macromolecule Transduction Domain) skin delivery technology

Trx
Thioredoxin
