BLACK LINE

**MADE BY
THE LEGEND**

A black and white photograph of Kevin Levrone, a professional bodybuilder, in a side-on pose. He is extremely muscular, with his back, shoulder, and arm muscles highly defined. He is wearing dark posing trunks and is barefoot. His right arm is raised and bent, with his hand open, while his left arm is extended forward. The background is dark with some light streaks.

KEVIN LEVRONE

MARYLAND MUSCLE MACHINE

Kevin Levrone, is an IFBB Professional Bodybuilder and is regarded as one of the most charismatic and talented athletes of all time.

In 2016, Levrone, at 52-years-young, courageously stepped on the distinguished Olympia Stage, to compete with himself and prove that he still has plenty of fire left. His ultimate mission is to inspire and fire-up the world around him. For Levrone, he believes that every person has a story to tell...a legacy to leave behind.

Levrone, at an early age, was inspired to be the best, and his drive and determination, eventually led him to the pinnacle of professional bodybuilding.

Kevin's many awards and accomplishments include, having competed in a whopping 68 IFBB Professional contests. To date, Levrone has one of the best overall records in the discipline of professional bodybuilding, winning 23 Pro Shows over his career. Always willing to take on new opportunities and not-at-all shy to accept new challenges, Levrone has embarked on an exciting acting and music career and to this day, continues to write and perform his music for his adoring fans.

Unlike most of his peers, who would take a break after an American show, Levrone wouldn't rest – he's one of the few American IFBB Professional bodybuilders, who tirelessly competed throughout Europe where he won most of his shows. Today, Levrone has a huge following throughout the world and his beloved fans occupy a very special place in his heart.

Over the last two years, The Levrone Signature Series sports nutrition product line has taken off throughout Europe and has rapidly expanded its footprint in many countries throughout the world.

Levrone's supplements are a suite of cutting-edge performance-based formulas, all developed using the finest ingredients and following the most rigorous standards of quality control. Levrone was, once again, determined to develop a line of sports nutrition products for anyone looking to build legendary strength, muscle, power, stamina and achieve the highest levels of physical fitness and physique aesthetics possible.

The Levrone Clothing Line, is Levrone's latest endeavor and is also quickly commanding the attention of global mainstream fashionistas.

2017 is projected to be the Year of Levrone. Stay tuned for upcoming news about his upcoming travels and new releases of exciting Levrone products.

Levrone will continue his journeys and can only hope that God may cross your paths. Thank you, all, for your loving support.
