OUT THERE STARTS HERE™

aquilaboats.com

Data as of 7/8/2026

Hull

- Double stepped hull design providing excellent performance and efficiency
- Aquila Protection Plan: 6 year hull/deck structural warranty
- NPG white gelcoat
- Vinylester resin infused hull, deck, and bulkheads
- Hull side black decal with opening portlight on starboard side
- Integrated transom walkthrough between engines with hidden slide out stainless steel ladder
- Large black rubrail around hull/deck joint providing maximum protection

Forward Bow Seating

- Forward facing seating with flip down arm rests
- Cup holders (4)
- Insulated storage with drains located under forward facing seating
- Recessed stainless steel handrails
- Central bow deck hatch providing access to optional windlass system with remote
- Port and starboard bow wet locker storage for fenders and mooring lines
- Bow docking lights with LED strip and stainless steel cover
- Forward deck cockpit drainage
- Bolster cushions installed on gunwale throughout boat with optional LED strip lighting
- Easy access starboard side steps
- Marine waterproof speakers 7.7" (2)

Helm Console

- Helm seating (4) with flip down bolster cushions, arm rests, and adjustable seat position
- Cup holders at helm station (4)
- Upholstered glare reduction helm panel with designated storage areas above chart plotters
- Black acrylic helm panel for flush mounting chart plotters
- Integrated glove box with USB-A/C charging outlets
- Recessed foot rests
- Ergonomically positioned throttle
- Fusion Apollo Series MS-RA670 marine stereo head unit
- C-Zone 5" Display for controlling DC electrical items
- Variable position steering wheel

- Stainless steel handrails (2)
- Composite fiberglass and stainless steel supports for windshield
- Manual push button override switches and controls
- Magnetic handheld compass

Galley Block

- Cup holders (4)
- Garbage bin receptacle (1)
- Stainless steel hand rail
- Pull out drawer storage under the port side helm seat (1)
- Electrical AC breaker switches located under helm seating
- Galley equipment storage on aft side of galley block
- Sink with faucet and cutting tray
- Corian countertop for serving beverages and food
- Designated location for optional single burner BBQ or induction cooktop
- Acrylic back splash panel

Aft Deck & Cockpit

- Electric windlass (12v-1000W) with hard wired handheld
- Self draining cockpit area
- Mechanical room access from deck hatches (2)
- Stainless steel walkthrough gates with acrylic panels on each side of seating (2)
- Patented Aquila slide out concealed stainless steel swim ladder with integrated hand holds
- Fresh water pull out shower
- Cup holders (5)
- Manual sliding forward and aft adjustable backrest
- U-shaped convertible seating for facing aft or forward
- Storage areas under seating accessible through hinged cushions
- Stainless steel railings on each side of central walkthrough area where slide out swim ladder is located
- Electronic control sliding U shape seating module – allows ability to slide seating to port or stbd side for access into deck hatches

Hard Top

- Expansive fiberglass hardtop with dedicated positions for nav equipment and optional roof racks
- Stainless steel handrails on forward port and starboard side of hard top
- Black painted main support pillars with integrated stainless steel handrail
- Lighting – Two (2) flush mounted LED spreader lights on aft section of hard top (2 total)
- Lighting – LED overhead lighting (color changing)
- LED navigation lights – port, starboard, anchor & running light

Deck Features

- Bolster cushions installed throughout boat
- Marine waterproof speakers 7.7" mounted on gunwale (4)
- Ten (12) x 10" pop up cleats: Stern, Spring, Bow (4 each)
- Track system step design providing dual purpose entrance

- into cabin with above deck access to forward cockpit
- Integrated deck level 316 stainless steel hand rail
- Easy access on and off boat from aft side decks
- Molded recessed deck hatches with gaskets and stainless steel latches providing access to below deck areas (6)
- Deck fill plates in 316 stainless steel – 1 × water – 2 × fuel – 1 × waste
- Self draining deck design
- Engine well fiberglass hinged hatches for maximizing space on aft deck (2)
- Hatches to access mechanical aft deck space (2)

Cabin

- Main electrical switch panel for common use electrical components
- Direct access via lockable companionway door into cabin area from main deck
- Composite laminate carpentry and matching wood trim
- Synthetic wear resistant flooring offering maintenance free natural look
- Upholstered side and ceiling panels
- Blinds for port side and starboard side and overhead windows
- Lightning – LED accent strip lighting, overhead lights, and reading lights
- Opening portlight on port and starboard side
- Carbon monoxide/smoke detector
- Large acrylic skylight providing maximum light in cabin
- Storage shelves, lockers and drawers
- Memory foam mattress size: 78" x 74" (199cm x 187cm)
- Stainless steel hand rail for ease of access in and out of bed
- Additional storage under bed
- Corian countertops and accent areas

Head

- Corian basin surface
- Vanity with polished chrome faucet with hot/cold water
- Pull out shower wand with hot/cold mixer controls
- Electric fresh water flush toilet, holding tank, overboard discharge, dockside pump-out and tank level indicator
- Mirror with light
- Toilet paper holder
- Toothbrush and towel holders

- Wet head shower acrylic door
- Teak grate in shower area
- Hinged bench seat over toilet
- Storage lockers with trash bin behind the toilet
- Storage under sink
- Stainless steel handrail next to toilet
- LED lighting in ceiling

Electrical

- C-Zone digital switching system with 5" display at helm
- LED navigation and anchor lights
- Fusion Signature Series audio package – 670 control head, 6 × 7.7" speakers
- Master control panel for 12vDC
- Remote battery switches
- House battery bank w/charging system – 2 × 200Ah AGM
- Optional lithium battery package for off grid use of aircon system
- Electric horn
- Each hull with automatic bilge pumps with ability to manually operate at helm
- Engine starter batteries – AGM technology
- LED lighting throughout
- Helm station LED lit manual push button panel
- Engine parallel control remote switch
- Shore side power electrical system connection with galvanic isolator

Fuel System

- Fully independent heavy gauge aluminum tanks (2) totaling 396 US G (1,500 L)
- Manual fuel shut off valves
- Mercury engine fuel/water separators
- EPA regulated fuel breather/filler system

Water and Bilge System

- Automatic 12v Fresh Water Pump
- Water heater (1) @ 40L/10.5Gal (only operable from shore power and/or optional generator)
- 1 × 200 Liter/52 US G fresh water tank
- Transom pull out shower mixer (hot/cold)
- Automatic 12v bilge pumps (6)

Water / Waste / Bilge

- Fresh water tank (50 Gal / 189 L)
- Black water holding tank (21Gal / 80L), overboard discharge with valve, dockside pump-out and tank level indicator
- Automatic 12v fresh water pump
- Faucet – inside head area
- Head shower
- Aft cockpit pull out shower
- Six (6) automatic 12v bilge pumps
- Automatic grey water pump connected to each shower drain for direct overboard discharge
- Black and fresh water levels visible through C-Zone system
